Detailed Spring Forecast from 1 April till 30 June for Scarlett

Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones, except for the cases of the transits to the slow planets (Jupiter, Saturn, Uranus, Neptune, and Pluto). In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- a yellow star indicating that the transit is important (for Jupiter, Saturn, Uranus, Neptune, or Pluto) or mildly important (for Mars), contrary to the fast-moving planets (the Moon, Mercury, Venus, and the Sun) which have no icon, because they are less important, or quite secondary,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance, such as a collective

transit. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact, - the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

The new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Moreover, "collective" transits, i.e. transits to slow-moving planets, are now displayed - even though they are not very active - except for the Moon, because she moves too fast and exerts no significant influence over slow-moving planets.

Besides, our detailed forecasts take into account what is referred to as "slow transits", the most important ones, since they last a long time and are generated by Pluto, Neptune, Uranus, Saturn, Jupiter, and Mars to a lesser extent, and by "fast transits", i.e. those of Mercury, Venus, and the Sun. This means that this report provides at the same time a forecast report and a real diary for small events and feelings.

Slow transits reveal the future climate you may experience and/or feel, whereas fast transits bring about minor fluctuations, although sometimes they may be active. This is the reason why the titles of the slow transits texts are underlined, which is not the case for fast transits; they should be considered as an addition to the main forecasts indicated by slow transits.

Important remark: certain paragraphs are repeated. This is normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8-9. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

A free report, the same but with the additional transits of the Moon, is also available at "My orders" in your account.

Your April Forecast

Possible conflicts and rivalries

Opposition ♀ Mars ☉ Sun

★★★★★ Valid from Monday 1 April till Thursday 4 April included (particularly active on Monday 1 April, with an orb of 0°28')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Because your energy is not properly canalised, it may get wasted in many directions, and it may not yield satisfactory results. In case of wounded pride, you must minimise the issue, for fits of anger are counterproductive.

Try to calm down, and do not believe that in every remark there is an aggressive intent. People put pressure on you with the will to distract you from your primary goals. Wait a couple of days, and step back to assess the situation. You will realise that you are on the right track and that this is the reason why you arouse a few jealousies.

There is a danger that a quarrel opposes you to your romantic partner.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Stormy but frank relations

Opposition ♀ Mars AS Ascendant

★★★★★ Valid from Monday 1 April till Friday 5 April included (particularly active on Monday 1 April, with an orb of 0°17')

This planet and your relationship AS-DS axis are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Your relations with other people, especially with a colleague, or your spouse if you are married, are tumultuous and marked by power struggles. You consider your interlocutor as a rival or an immediate challenger. In situations of professional competition, this approach constitutes a tremendous boost. You snatch victory by a hair's breadth, and if unfortunately you are not the winner, you do not give up. You get ready for the fray, and you try to launch a new offensive rapidly.

In the field of romance, fits of anger or overly passionate relations may wreak havoc on your couple or your friendships. Do not listen to your willingness to rule your partner, because you can rest assured that he will not remain passive, and that you will endanger your affection in unnecessary confrontations.

Immoderate pleasure and lack of realism in the field of affection

Square ☉ Sun ♀ Venus

★★★★★ Valid from Monday 1 April till Tuesday 2 April included (particularly active on Monday 1 April, with an orb of 1°17')

You are overly self-centred, and you tend to believe that all the attention must converge on you. Owing to this distorted vision, you neglect your entourage, and you behave inconsiderately.

You are also avid for pleasure, unable to resist passing infatuations even though they burn a big hole in your budget.

Your overeating may have repercussions for your skin or your kidneys.

You get easily offended, and you misinterpret every word directed at your romantic partner.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Domestic changes

Opposition ♃ Neptune MC Midheaven

★★★★★ Valid from Monday 1 April till Sunday 30 June included (particularly active on Monday 1 April, with an orb of 0°31')

It is at home that chaos is raging. Depending on your age and your family status, it is possible that you are dreaming only of escaping from a realm that you consider an unbearable yoke. You are compelled to struggle relentlessly in order to put back on the right track those who live under your roof and who think exclusively of setting off for faraway lands. The confusion prevailing in your dwelling may be of material nature: problems to get a property inheritance, misunderstandings with your landlord, numerous moves, etc. In any case, you must be very vigilant if you are to regain your control over domestic issues.

Excessive confidence and extravagant expenses

Square ☉ Sun ♃ Jupiter

★★★★★ Valid from Monday 1 April till Thursday 4 April included (particularly active on Tuesday 2 April, with an orb of 0°17')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Your excessive self-confidence and your unintentional insolence may bring about a few blunders. You should refrain from talking about your projects before they are actually operational, otherwise you may

be blamed for the disappointments you caused involuntary.

In the financial area, avoid unforeseen expenditures, and do not buy gifts which are beyond your budget just because you want to impress the recipient. Similarly, do not take out a loan for the time being.

Physically speaking, watch your liver and your arterial circulation.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Strong and slow constructions

Sextile ♄ Saturn ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Monday 1 April till Wednesday 26 June included (particularly active on Thursday 18 April, on Saturday 11 May and on Sunday 12 May, with an orb of 0.00')

Throughout this period, you are most likely to notice with a great deal of satisfaction that you have taken the right track and that your business is developing slowly yet surely. Considerable rewards or substantial profits may fall right on your lap, which gives you the energy to continue your work with even deeper concentration

Should you deem that your current methods are not perfect, you have the capacity to improve them without upsetting your whole environment. More generally, you are in full control of yourself, you realise that nothing escapes you, and that you only need to follow the path you have charted for yourself.

In the affective area, you may feel the need to shut yourself away. However, without cutting yourself off from your friends and relatives, you are able to get them to accept your desire for solitude. Long-standing relations and friendships will grow stronger.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Inventiveness and nice surprises

Trine ☉ Sun ♅ Uranus (transit to a slow-moving planet)

★★★★★ Valid from Monday 1 April till Thursday 4 April included (particularly active on Tuesday 2 April, with an orb of 0°29')

You have the winds in your sails, and you are able to impose on the members of your entourage the changes you have been hoping for during a long time. People will follow you and will acknowledge the worth of your suggestions.

The period is also auspicious for showcasing your professional skills, your creativity, and your innovative mind. You get along well with non-conformist friends.

Fertile imagination at the service of an ideal

Trine ♃ Uranus ♆ Neptune (transit to a slow-moving planet)

★★★★★ Valid from Monday 1 April till Friday 19 April included (particularly active on Monday 1 April, with an orb of 1°17')

You manage to combine personal ambitions with collective interests. You can derive much satisfaction from being a spokesperson, a defender, or an inspired activist working for various ideological movements and marginalised groups.

As you step back from social demands and preconceptions, you focus your researches on new subjects which offer you exciting pieces of information and, in addition, help you discover more things about yourself.

Your imagination is fertile throughout this period and may be a source of inspiration for artistic productions of excellent quality.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

R Bubbly family contacts

Opposition ♀ Mercury MC Midheaven

★★★★★ Valid from Monday 1 April till Friday 5 April included (particularly active on Monday 1 April, with an orb of 0°13')

This planet and the MC-IC axis are linked by a square in your natal chart: the negative effects of this transit may be increased.

Short trips with the family and domestic changes are on the agenda. Moving around is your watchword and, to fulfil this need, you do not hesitate to introduce playfulness, gaiety, and insouciance in the organisation of your daily life.

Dialogues with children and with the elderly are excellent. Your selfless behaviour works in your favour.

Friends, or people you met accidentally in a previous occasion, visit you, which contributes to stir up a wind of madness under your roof. Owing to your intelligence, you are able to straighten out the most muddled issues, and to figure out what lies at the roots of any conflict.

Intrigues and uncalled-for tensions

Opposition ♅ Uranus ♇ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Monday 1 April till Sunday 23 June included (particularly active on Saturday 4 May, with an orb of 0°00')

You try to clarify the situation around you and to bring about discussions aiming at dispelling the atmosphere of secrecy and intrigue that some of your friends and relatives try to establish, more or less deliberately.

You will have a hard time, because you will encounter resistances, and you may bring to light several facts that would have been better left untold, would it be only in order to keep your cool and to maintain peace under your roof. Your criticisms and your categorical stances may speed up the course of events and bring about a tense climate.

If you are under medical treatment, take it with regularity. Indeed, you tend to neglect your body and to be unconcerned about your health condition.

The natal planet receiving the transit is in the 11th House. It means that relationships with your friends, as well as supports granted to you or people protecting you, may be affected and modified during this period.

★ Fulfilling inner transformation

Sextile ♇ Pluto ☾ Moon

★★★★★ Valid from Monday 1 April till Sunday 30 June included (particularly active on Sunday 21 April, with an orb of 1°02')

This exciting and fruitful period enables you to strike a balance between your fiercest and most spontaneous desires and the unfolding of your routine. You can devote yourself with passion to an emotionally fulfilling activity. Instead of enjoying it secretly, you dispense around you the treasures of your tender and awesome personality.

You can fearlessly implement changes in the organisation of your family life, for everyone will benefit from them. You have the capacity to restore real harmony with your kindred without submitting yourself to them.

You may also achieve – or regain – a very strong affective and sexual closeness with your partner.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this

House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Eloquent communication and innumerable contacts

Conjunction ♃ Jupiter ♀ Mercury

★★★★★ Valid from Monday 1 April till Wednesday 12 June included (particularly active on Wednesday 22 May, with an orb of 0°02')

You are prepared for all sorts of encounters, and you are enthralled by any discussion. Your curiosity, your open-mindedness, as well as your optimism, draw numerous people to you. You are brilliant and talkative, and you have an answer for everything.

All the new steps you take are promising, for it is difficult to say no to you, whatever your request may be. People from very different walks of life enlarge the circle of your friends.

If your professional activity requires written or oral communication skills, it is most likely that you are unbeatable, and that everyone sings your praises, of course!

Your short trips unfold under auspicious circumstances and offer many opportunities to meet with enjoyable persons. Nevertheless, remain careful, because your extreme adaptability, your flexibility, and your eloquence may lead people to accuse you of opportunism and schemes.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Your power of action is reaching its highest level. To put it to good use, impose your initiatives in a frank and straightforward way without spending too much time examining the situation. Your instinctive knowledge of human beings and of the context in which you are moving enables you to score points and to keep very quick reflexes.

You may be bossy with your friends and relatives. You may also force them to behave according to your interests, but on the whole, your courage, your energy and your outspokenness are very much appreciated. This is a good period for starting sports activities and for all types of competitions.

★★★★☆ Valid from Thursday 4 April till Tuesday 9 April included (particularly active on Sunday 7 April, with an orb of 0°11')

These planets are linked by a semi-sextile in your natal chart: the harmonious effects of this transit may be slightly increased.

The period is auspicious for presenting in the most rigorous manner the results of your studies, of your researches, or of the steps previously undertaken. You may unearth from your drawers a document or a text that you drafted a long time ago and that you can use again in order to back up your current stance.

You organise your daily life with method, which enables you to solve material issues which so far slowed down the pace of your work and impeded your intellectual efficiency.

You are also able to hold serious discussions with the friends and relatives who share your interests. You are most likely to learn a great deal from them, which will help you deepen your knowledge.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the

situation.

Sextile ♀ Venus ♃ Jupiter

Thin-skinned

Square ♀ Venus ♃ Uranus (transit to a slow-moving planet)

★★★★★ Valid from Friday 5 April till Sunday 7 April included (particularly active on Saturday 6 April, with an orb of 0°04')

Your affective impulses and needs are clashing with the harsh, cold, and authoritarian or sectarian attitudes of some of your friends and relatives. Far from giving things their actual importance, you take them to heart. This temperament stirs in you sudden, simultaneous, and extreme feelings shifting from sympathy to antipathy.

Spare your sensitivity, and do not believe that you can be happy only when you are facing disconcerting, upsetting, and extravagant situations.

If you are a member of an association or a club, you may react with animosity to some of its participants. Do not display such feelings, because they are neither deep nor long-lasting.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet

involved in the transit is in the 1st House of your chart.

Nervousness and blunders

Square ♀ Mercury ♀ Mercury

★★★★★ Valid from Saturday 6 April till Thursday 11 April included (particularly active on Tuesday 9 April, with an orb of 0°05')

During a few days, your intellectual fitness is quite unlikely to be at its top level. You feel that some of the data on which you base your reasoning are difficult to grasp. Do not make useless efforts, and wait until you feel more self-assured, otherwise you may be forgetful and make blunders which are harmful to your communication.

Likewise, control your nervousness. Because you stretch yourself too thin, you get rapidly overwhelmed. Try to be as precise as possible in your remarks, and temporarily avoid discussions on matters which are dear to your heart, because nothing positive will come out of them.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

R Fulfilment at home

It is in your family or in your dwelling that you feel most comfortable. You can find a great deal of happiness there. If discord used to prevail at home, you ought to take advantage of this period to explain your problems and solve them amicably. Your friends and relatives send you tokens of affection that you find deeply moving.

You will not be very available for your professional circles, and you will not show solidarity with your colleagues. As the French saying goes, «to live happily, live hidden». This is precisely your motto.

Small gatherings with a few family members and friends, unexpected visits in a private atmosphere, as well as secrets disclosed spontaneously soothe your aching heart and contribute to increase your joie de vivre.

Smooth dialogue and communication

Trine ☉ Sun ♀ Mercury

★★★★★ Valid from Tuesday 9 April till Saturday 13 April included (particularly active on Thursday 11 April, with an orb of 0°24')

You behave with energy and authority, which earns you many impressive successes, particularly with youths. You stand up for your opinions with courage, and you arouse the admiration of your loved ones.

You are feeling cool, curious to discover every novelty, and willing to let a stream of fresh air blow through your daily life. Your open-mindedness enables you to gather valuable pieces of information and to rake in advice and testimonies offered by people from all walks of life.

Selflessness and lack of prejudice make you a highly attractive person. You are very much sought after, and your relations with children and adolescents become particularly easy and nice.

During this period, if you must express yourself verbally or in writing, you will by instinct use simple, clear, and persuasive words. Therefore, you will be able to enlarge the scope of your audience and convince them to adopt your ideas.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

★★★★★ Valid from Thursday 11 April till Sunday 14 April included (particularly active on Friday 12 April, with an orb of 0°14')

Even though you are not in an effusive mood, during a couple of days you are most likely to experience happy emotions worth their weight in gold. Your long-standing affections and friendships grow even deeper. You give wise pieces of advice to those your love, and you are prepared to support them and to help them.

Your communication flows smoothly with the elderly as well as with people who are withdrawn and whom you cannot always reach out to.

You are aware of your subjectivity, and if you put your romantic needs in perspective, you will understand yourself more clearly.

This is a good time to undertake meticulous decoration or repair works.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Insouciance and lack of tact

Square ♀ Venus ♀ Mercury

★★★★★ Valid from Friday 12 April till Monday 15 April included (particularly active on Saturday 13 April, with an orb of 0°23')

If your emotional responses are exaggerated, they may temporarily damage your communication with your friends and relatives. You tend to get easily distracted and to behave with insouciance. Moreover, you do not really listen to the information conveyed to you. Whenever you express yourself, you can hardly resist the temptation to open your heart to people you barely know.

You may be indiscreet or disclose your little secrets inadvertently. Out of laziness, you may also postpone a procedure, a telephone call, or urgent mails. Therefore, you must set yourself a detailed timetable and use it as your safeguard against procrastination.

You are willing to meet with all sorts of people, but the majority of your relations remain quite shallow.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

R Seductiveness and joie de vivre

Trine ♀ Venus ☾ Moon

★★★★★ Valid from Sunday 14 April till Wednesday 17 April included (particularly active on Monday 15 April, with an orb of 0°24')

These planets are linked by a semi-square in your natal chart: the harmonious effects of this transit may be slightly lessened.

You pour out your emotions, enriched with a host of sensations, to all the people you approach. You are easily moved, amazed, and touched. You feel the need to bring peace and harmony to those who strike a sensitive chord with you.

Family relations are set fair. In a word, you know how to lighten the atmosphere, and you are willing to oblige your friends and relatives by lavishing attention and little gifts on them.

Your joie de vivre is shining, and your gentleness spurs people to confide in you. If you are engaged in an artistic activity, visiting picturesque settings, or going out with attractive persons stimulates your inspiration.

You feel good about yourself, and you combine very well your professional life with your private life.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

R Gullibility and blunders

Square ♀ Mercury ♃ Neptune (transit to a slow-moving planet)

★★★☆☆ Valid from Monday 15 April till Thursday 18 April included (particularly active on Wednesday 17 April, with an orb of 0°19')

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

During a few days, you will need to be on your guard. Indeed, your gullibility in the field of human relations is as big as your absent-mindedness in the field of material matters. Therefore, do not take everything you are told for granted. You must at least check the plausibility of the proposals people put forward, otherwise you will become a perfect victim for unscrupulous crooks.

You must also get all your ducks in a row. Also ascertain that you have locked the door of your house or of your car. If you have to contact someone or if you must start a procedure, you must double-check the time and the venue of your meeting before you leave.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

★★★★★ Valid from Tuesday 16 April till Tuesday 23 April included (particularly active on Friday 19 April, with an orb of 0°17')

You are suffering from a discrepancy between your pressing need to leap into action and to assert yourself clearly, on the one hand, and your will to achieve mastery and to become an expert, which requires more patience and efforts, on the other hand.

Be wary of your spontaneity, as it may lead you to make premature decisions and to remain stuck in a deadlock, just because you are afraid of being misjudged.

Avoid clear-cut stances as well as sectarian or peremptory remarks. Try to listen more attentively to the members of your entourage. You must also endeavour to figure out which way the wind blows.

In all areas, think twice before provoking a sudden split, because you will refuse to reconsider your decision, which will be harmful.

You are in a talkative and cheerful mood. The narration of your real or embellished prowess thrills your friends and relatives. This contributes to spread joie de vivre around you and draws the members of your entourage closer to each other.

Unfortunately, once the excitement starts to fade away, many of the projects you mentioned verbally may fall through.

Strive to get the support of people you are comfortable with, and seek their help and their suggestions in the fields in which they excel. Writing to friends you lost touch with, or calling them, allows you to establish contact with them again. Therefore, this is not the time to be shy.

Above all, you are willing to be attractive and to pass on to other people your conception of pleasure. In this respect, you shine by throwing parties and sending out invitations in order to make new acquaintances and to tighten the affective bonds existing between you and your friends and relatives.

With your romantic partner, you are welcoming. You also provide him with sound advice. Nevertheless, if you take the slippery road, you may also overwhelm him with your whims or frighten him with your changing and sometimes superficial behaviour.

Disturbing clarity

Opposition ☉ Sun ♃ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Sunday 21 April till Thursday 25 April included (particularly active on Tuesday 23 April, with an orb of 0°05')

This aspect, which occurs only once a year, may help you untangle the hank produced by other influences taking place simultaneously. In a way, you have a split personality, and you face your most secret desires, sometimes the least acceptable ones.

This has nothing to do with madness. This is about becoming aware of shortcomings in your usual behaviour which, unconsciously, cause the failure of some of your undertakings. This transit urges you to set things right.

The natal planet receiving the transit is in the 11th House. It means that relationships with your friends, as well as supports granted to you or people protecting you, may be affected and modified during this period.

During a short period, you may be caught in crossfire. On the one hand, your professional activity requires a great deal of availability in order to tackle unexpected problems. On the other hand, owing to conflicts cropping up at home, the members of your family demand forcibly that you grant them more attention.

It is obvious that you are unable to struggle on many fronts at the same time. Instead of getting irritated, try to explain the situation with calm. Indeed, you get angry quickly, which improves the atmosphere neither at work, nor at home.

Beware of clumsy words. Do not criticise the people whom you deem incompetent, because you may lack leniency, and you run the risk of making enemies.

Stormy exchanges of viewpoints with a father figure or with elder brothers are looming and should be avoided if possible, for nothing good can come out of such clashes.

Your intellectual concerns or your worries prevent you from communicating as much as you would like to with your friends and relatives. Everyone remains on one's position, mulls over one's resentment or polishes one's plan of action.

You ought to respect this very fleeting desire for silence. Indeed, if you try to force people to speak up, it is most likely that they will answer you with quite acerbic words.

If you attend small meetings, avoid raising issues that are dear to your heart, and do not mention your romantic adventures, for indiscretions are highly probable and may put you in an awkward situation later on.

Do not meddle into what is happening to your friends and relatives, and think twice before you speak, lest you should commit an indiscretion out of carelessness.

The outside world appears to you in the most promising light, and the people whom you meet offer you very various joys and pleasures. Your generosity and your warm trust are mainly responsible for this situation. People are willing to confide in you, because you do not need to have things spelled out for you and you pass on your optimism to everyone.

There is a serious possibility for a romantic encounter, but you will then need to deepen the bond thus started. You can also broaden the circle of your friends.

If you have to solve a dispute, you will find the right words in order to iron out differences. Under all circumstances, you manage to back down and to smooth ruffled feathers.

Independence and profits

Sextile ♃ Pluto ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Saturday 8 June till Sunday 30 June included (particularly active on Sunday 30 June, with an orb of 1°49')

This is what could be referred to as «change within continuity», or «the art to turn old into new». Indeed, your rightful desire for change is not based on a principle of rebellion or on a refusal of the past. On the contrary, you know how to use your experiences to lay the foundations of a new chapter.

This period is excellent for gaining more professional independence while remaining in the same branch of activity.

You are able to conduct negotiations on a sale or a mortgage in your best interests. You may use the money thus made to fund a project that will be all the more promising that you have meticulously prepared it beforehand.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Affective misunderstandings

Opposition ♀ Mercury ♀ Venus

★★★★★ Valid from Sunday 9 June till Tuesday 11 June included (particularly active on Monday 10 June, with an orb of 0°17')

The prevailing climate prevents you from having it your way. Your friends and relatives split hairs, nitpick over trivial details, and sometimes blame you for petty things. Confronted with simmering aggressiveness, you cannot trust anyone anymore.

However, do not attach too much importance to these nuisances since they are insignificant.

Your professional duties may impinge on your romantic life. Try to keep this issue in perspective without constantly feeling hurt when a slight glitch spoils your pleasure.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Clumsy or unsuitable words

Opposition ☉ Sun ♀ Mercury

★★★★ Valid from Monday 10 June till Saturday 15 June included (particularly active on Wednesday 12 June and on Thursday 13 June, with an orb of 0.28')

During a few days, you may feel that your desire for communication is frustrated. Some members of your entourage who abuse their authority may dent your self-confidence. Do not let anyone detract your attention from your projects. Do not change sides just because you are afraid to irritate people or to be criticised.

There is a big gap between your major goals, your initiatives, and your words. The more you let people influence you, the deeper the hiatus. You ought to stand up for your opinions with more determination and more courage.

You are likely to have difficulty in expressing yourself with your romantic partner. Here again, it is preferable that you do not get enmeshed in lies just for the sake of avoiding conflict.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Wounded pride

Opposition ♀ Mercury ♃ Jupiter

★★★★ Valid from Tuesday 11 June till Thursday 13 June included (particularly active on Wednesday 12 June, with an orb of 0°15')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Some comments aimed at you may hurt your sensibility. Your skills may be questioned, and people may laugh at you, more or less kindly. Try not to yield to anger, for your opponents would immediately take advantage of you. Instead, you should endeavour to take stock of your work, to polish up your argumentation, and to consider people's requests more seriously.

You have a propensity to make diplomatic lies and to seek ideal excuses; unfortunately, because you tend to botch them and neglect their likeliness, you will not achieve the result you wish to obtain. As you carry out a survey or a research, it is possible that you tinker with the form and that you slack off on the substance. Think it over.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Sensuality and love initiatives

Trine ♀ Venus ♂ Mars

★★★★★ Valid from Tuesday 11 June till Friday 14 June included (particularly active on Thursday 13 June, with an orb of 0°23')

Life smiles on you, because in all circumstances you are able to combine seductiveness with firmness, and kindness with authority. In such conditions, how could anyone resist you?

Take advantage of this asset to seek a rapprochement with all the people you are at loggerheads with. Make the first move. If you need to send a request to persons known for their aggressiveness or their sternness, go ahead. Your straightforward and warm behaviour will overcome their hostility.

In the romantic area, you can expect great joys. Follow your sensual impulses and your desire for insouciance.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

R Intellectual boldness and efficiency

Sextile ♀ Mercury MC Midheaven

★★★★★ Valid from Thursday 13 June till Sunday 16 June included (particularly active on Friday 14 June, with an orb of 0°33')

This planet and the MC-IC axis are linked by a square in your natal chart: the harmonious effects of this transit may be lessened.

The good mood prevailing at home gives you wings. With the support, the encouragements, and the suggestions of your friends and relatives, you are prepared to make daring moves.

Intellectually speaking, your thorough knowledge of the ins and outs of the context or of the issues you are tackling enables you to catch your adversaries off guard.

Your comments are meaningful, and you smartly use your past experiences to deal with the tasks from which you expect much social reward, but which you find quite intimidating.

Self-control and sense of responsibility

Trine  Mars  Saturn (transit to a slow-moving planet)

★★★★★ Valid from Thursday 13 June till Wednesday 19 June included (particularly active on Sunday 16 June, with an orb of 0°14')

Your dynamism is working very well, your reflexes are quick, and your self-control is amazing. In addition, you have a sound experience of the situation. Therefore, this is a good time to take firm and final decisions, and to question your lifestyle as well as your working methods. You get right to the point, and you manage to find the loophole in any system. Even though some people may oppose the transformations you deem indispensable, instead of being intimidated, you pursue your objectives with obstinacy and courage.

You can also solve long-standing legal issues, get a loan reimbursed, or complete all types of procedures.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Lack of clarity and danger of disruption

Square  Jupiter  Midheaven

★★★★★ Valid from Saturday 15 June till Sunday 30 June included (particularly active on Sunday 30 June, with an orb of 0°28')

This planet and the MC-IC axis are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

You are feeling ill at ease, misunderstood, and even ostracised by the members of your entourage, both at home and at work. Confronted with this stressful situation, you are tempted to start inopportune arguments and to worsen the climate.

It is preferable that you take stock of your past actions, that you become aware of the disorganisation prevailing in your plans, and that you sort out your budget if you do not want to be blamed for having sown discord around you.

For the time being, do not put forward any request, and do not seek people's support. You would express yourself with clumsiness, and you would not obtain what you are hoping for.

Pay special attention to your house, for incidents or unexpected deteriorations may occur, which may strain your finances.

Seriousness and intellectual fertility

Trine  Mercury  Saturn (transit to a slow-moving planet) 

★★★★★ Valid from Sunday 16 June till Wednesday 19 June included, this transit is repeated: it previously occurred from 4 April till 9 April (particularly active on Monday 17 June, with an orb of 0°18')

The period is auspicious for presenting in the most rigorous manner the results of your studies, of your researches, or of the steps previously undertaken. You may unearth from your drawers a document or a text that you drafted a long time ago and that you can use again in order to back up your current stance.

You organise your daily life with method, which enables you to solve material issues which so far slowed down the pace of your work and impeded your intellectual efficiency.

You are also able to hold serious discussions with the friends and relatives who share your interests. You are most likely to learn a great deal from them, which will help you deepen your knowledge.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

This planet and the MC-IC axis are linked by a sextile in your natal chart: the harmonious effects of this transit may be increased.

It is mainly on your professional and social life that you focus with precision, earnestness, and concentration. You are prepared to move and to badger the members of your family into action if your ambitions require a change of residence, in which case, the logistics will have to be coordinated with great care.

Later on, the increased income resulting from this change will enable you to offer more comfort to your loved ones, for instance by acquiring a new dwelling.

The older people you meet at your workplace grant their assistance and provide you with their advice. If you are requested to prove your worth, you will be well-equipped to show what you are capable of.

Unexpected emotional disturbances

Opposition ♀ Venus ♂ Uranus (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 18 June till Friday 21 June included (particularly active on Wednesday 19 June, with an orb of 0°12')

You are being torn between your affective impulses and the demand for clarity and improvement which urges you to ignore your sensitivity and to remain aloof.

Your indecision is so overwhelming that, if you are not cautious, it may upset your daily life by bringing about tensions with your friends and relatives. You tend to roundly criticise the persons you love and to share your exasperation with them.

Although your need for independence is strong, it is difficult for you to reconcile it with the constraints of social life. When you express yourself, you should back down if you do not want to uselessly hurt people's sensitivities.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Casualness and easy contacts

Trine ♀ Mercury ☾ Moon

★★★★★ Valid from Wednesday 19 June till Saturday 22 June included, this transit is repeated: it previously occurred from 9 April till 13 April (particularly active on Thursday 20 June, with an orb of 0°26')

You are feeling cool, curious to discover every novelty, and willing to let a stream of fresh air blow through your daily life. Your open-mindedness enables you to gather valuable pieces of information and to rake in advice and testimonies offered by people from all walks of life.

Selflessness and lack of prejudice make you a highly attractive person. You are very much sought after, and your relations with children and adolescents become particularly easy and nice.

During this period, if you must express yourself verbally or in writing, you will by instinct use simple, clear, and persuasive words. Therefore, you will be able to enlarge the scope of your audience and convince them to adopt your ideas.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

★★★★★ Valid from Wednesday 19 June till Sunday 23 June included (particularly active on Friday 21 June, with an orb of 0°08')

These planets are linked by a semi-sextile in your natal chart: the negative effects of this transit may be slightly lessened.

The prevailing circumstances impose several duties which restrict your capacity to take action. In order to satisfy your supervisors and to fulfil your own ambitions, you must opt for stable guiding principles. Unfortunately, you are unable to stick to them for the moment.

Nevertheless, do not wander too much along the way, because your dissipation may make you miss nice opportunities. Dare to state clearly what you want instead of striving to come across as selfless at all costs. Do not lie about your desires, for disorders and illusions are the main enemies of your success.

In the field of health, you may temporarily suffer from allergy bouts.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

If you are a trader, you have a lot on your plate, but this extra work makes you very happy.

Your enlivened imagination helps you deal with the reality of daily events. The hell with unproductive reveries! You manage to adjust your desires to your real possibilities.

You come across as a dynamic person, which prompts some of your friends and relatives to use your services. You do not shirk your responsibilities, and you are concerned about people who are more vulnerable than you.

You are feeling that neither your private nor your professional lives are fully satisfactory. You are mainly preoccupied by annoyances caused by uncontrolled events, by the injustices you undergo, and by the comments aimed at you or at those you love.

Fatigue is sweeping over you, and you must make huge efforts in order to fight your disenchantment. Nevertheless, you must not pay excessive attention to the disagreements which are hurting your sensitivity, because your imagination tends to exaggerate their actual impact.

During these few days, refrain from making decisions about your family and your social life, for you may underestimate your possibilities, and you may confine yourself to an enclosed and dull universe.

Strength and clarity

Trine ☉ Sun ♃ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Saturday 22 June till Wednesday 26 June included (particularly active on Monday 24 June, with an orb of 0°25')

This aspect, which occurs twice a year, is significant if it happens during a period of turbulence. It helps you discover unsuspected vital resources and, mocking the proprieties, to plough your furrow according to your wishes and your personal ethics.

You may even be able to discern your shadow zones (who doesn't have any!) and to turn your weaknesses into strengths. Although it is possible that you shine in a quite small coterie, your prestige will glitter more dazzlingly.

The natal planet receiving the transit is in the 11th House. It means that relationships with your friends, as well as supports granted to you or people protecting you, may be affected and modified during this period.

Opposition ♀ Venus ♀ Mercury

★★★★★ Valid from Tuesday 25 June till Friday 28 June included (particularly active on Wednesday 26 June, with an orb of 0°27')

You are being torn between your powerful affective impulses and the cold logic which urges you not to fall into the traps of sentimentality. This may strongly influence your behaviour, and you may shift from the tenderest attention to the most jeering cynicism.

The most important point for you is to manage not to commit yourself and to remain free, emotionally as well as intellectually. People try to win you over and to charm you, so as to get you involved in projects you are not interested in, and with which you may agree, but from which you run away in the end.

Be more straightforward, and give your opinion more assertively if you do not want to become notorious for being a weathercock and even a hypocrite.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

★★★★★ Valid from Wednesday 26 June till Sunday 30 June included, this transit is repeated: it previously occurred from 16 April till 19 April (particularly active on Friday 28 June, with an orb of 0°01')

You are in a talkative and cheerful mood. The narration of your real or embellished prowess thrills your friends and relatives. This contributes to spread joie de vivre around you and draws the members of your entourage closer to each other.

Unfortunately, once the excitement starts to fade away, many of the projects you mentioned verbally may fall through.

Strive to get the support of people you are comfortable with, and seek their help and their suggestions in the fields in which they excel. Writing to friends you lost touch with, or calling them, allows you to establish contact with them again. Therefore, this is not the time to be shy.

Bitterness and danger of dispute

Square ♀ Mercury ♃ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Friday 28 June till Sunday 30 June included (particularly active on Sunday 30 June, with an orb of 0°49')

During several days, strive not to express your anger, your grudge, or your bitterness. Discussions about past squabbles are unwelcome, as they would only rub salt in the wounds and trigger new demands.

In the course of a meeting or of a short trip, and when you draft a mail, or when you talk over the telephone, keep your subconscious under control. Indeed, it may speak louder than your mind and prompt you to disclose desires that should be kept secret.

Do not get involved in people's disputes, for you would be blamed for meddling in their affairs. Instead of settling the situation, you would only inflame it, due to the distorted perception you have of people and of their real motivations.

You succeed in imposing yourself with firmness in a male-dominated environment.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Opposition  Sun  Venus

★★★★★ Valid on Sunday 30 June, with an orb of 1°44'

Indeed, you have a great deal to do in order to preserve your quietness, because some people abuse their power and meddle in your affairs. You may be the target of attacks which, although mild, wound your pride.

The necessity to get your professional projects moving compels you to limit your leisure expenses.

Your vitality may be momentarily affected by the overeating or by any other excess you indulge in.

Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
