Compatibility Report Goldie and Kurt

Introduction: Relationship Analysis

This report integrates all the astrological parameters used by professional astrologers in their comparative studies of a couple's charts, also known as synastry, and uses a comprehensive methodology based on compatibility calculation: we compute the outcome of all the possible combinations existing between two charts and we establish a conjugal index, an affective index, a physical index for the couple's compatibility, and a communication index.

The programme takes eleven major and minor aspects into account, weighing with accuracy formulas for each aspect and rulership. It also analyzes fifteen astrological items (planets and angles, Chiron, Lilith and the Lunar Nodes axis). All the above factors are used for the study of couples and the assessment of our four compatibility ratings or indexes:

The conjugal index

describes the essence of the relationship in view of a marital relationship. It explains the basis and the structure of the link. It is the most important element among the four series of information that are provided here.

The affective index

describes the strength of the sentimental components; it is one of the elements of the relationship structure.

The physical index

gives an idea of the sexual attraction. It indicates only a tendency and you must bear in mind that this very subtle kind of forces may not always express themselves in a constantly equal way, but that they may vary significantly according to other modes of exchange.

The communication index

describes the easy flow of your exchanges, regardless of any affective and physical context. It provides additional and interesting information and may be a binding and amplifying agent among other modes of exchange.

These four indexes or ratings are given a grade between 0% and 100%.

Introduction

What is the concrete meaning of these ratings? They indicate the smoothness of exchanges between two persons and not the quality of their love. Indeed, both partners retain their own choices, their relationship problems or their peculiarities: therefore, it is possible to get ratings nearing 100% although the relationship does not have a positive outcome. Please, never forget a few obvious rules and facts such as in the following examples:

- everyone has one's own character and, for instance, if someone has a predisposition for a belated marriage, an encounter at the age of 18 with a compatible person does not necessarily result into a marriage or a relationship, even if the rating is very high.
- each life goes through very different periods. We may not be available for amorous relationships because we are already involved in a couple or because our state of mind is not conducive enough etc. Therefore, meetings with persons with whom ratings are very high do not necessarily result into a relationship.
- some couples may have quite low ratings; this does not mean unhappiness or problems in the relationship. A conjugal rating of 35% or 40% is absolutely not incompatible with a life-long relationship. The ratings cannot really give information on the intensity of your relationship, which defies these types of criteria. We underline again that we are dealing here with smoothness and not with quality and that two persons with an index of 30% or even 10%, will not experience an "inferior" quality of love, compared to a couple with an index of 80%: the difference probably comes from the fact that they will need to put a lot of energy and efforts in the relationship in order to enhance it and to make it last.

Please, do bear in mind that these figures represent a tendency and not a final verdict, because of all the factors we have just explained.

This report describes in detail the characteristics of your couple's relationship, sorted out in order of importance. They are arranged in two chapters, the first one deals with the relationship from an amorous perspective only, while the second chapter deals with its human aspect, not specifically amorous, which is the communication plane; of course, both parts are linked to each other since the relationship forms a whole. Read them once again, you will most probably be amazed and you will see for yourself how accurate they are. However, please bear in mind that a human relationship is complex and may contain contradictions, which our report cannot highlight, for obvious reasons: indeed, the synthesis of the compatibility indexes with their texts is the only tool that allows to understand properly your couple's relationship.

Your four compatibility indexes are provided with a comment regarding their values.

Love Characteristics

Your Strong Points

★★★★★ Conciliation aspect ☽ Moon ♀ Venus, Strength: 51.6

Mood and tenderness are coupled in order to bring the two of you together and to provide both of you with the pleasure of being together. Goldie naturally uses her good humour to create a serene, light and amusing atmosphere and Kurt easily expresses his entire affection to Goldie. Living together is pleasant and you happily share cultural interests and entertainments with a lot of happiness. Life together is harmonious and the relationship is easy on a daily basis, almost too easy, if something negative were to be added! There is nothing you can complain about, so enjoy these soothing exchanges, you won't be sorry for it.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★☆ Conciliation aspect ♄ Saturn ☽ Moon, Strength: 33.7

Continuance and security are on your side! Of course, superficiality and frivolousness are not your relationship's priorities. Kurt particularly appreciates Goldie's seriousness and sense of responsibilities and Goldie is very keen to dedicate herself to your common interests. If only she could express her emotions better, all would be perfect. However, Goldie's commitment and the long-lasting security she provides are major assets. Kurt readily adjusts to Goldie and, as the former learns the rules of life together, he earns Goldie's esteem because the latter tends to behave more like a parent or a teacher rather than a partner. But to each, his/her own, is it that irksome?

Your Relationship

★★★★★ Conciliation aspect ASAS ♀ Venus, Strength: 26.3

Both of you immediately feel the pleasure of being together. Kurt irresistibly attracts Goldie who falls under his spell straight away. Your amorous attachment is obvious and both of you are aware that you have the same feeling of mutual gratitude. Therefore, you emotionally identify yourself with your partner. One of the consequences of your relationship's nice characteristic is that the partner who pays the most importance to physical aspects can help the other one evolve aesthetically or find the best style or the best look!

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Conciliation aspect ♀ Venus ♂ Mars, Strength: 17.2

This is the best possible sign of physical compatibility between two persons and it had to be yours! Both of you have the luck of the devil because you can freely express all your desires and experience them together without restraint, with harmony and voluptuous pleasure. It is not exaggerated to say that the contact between you is magnetic, even electric: you are highly sensitive to the physical presence of your partner and both of you equally appreciate the other one, a little bit in the way children appreciate chocolate! In your couple, Kurt is more active and dynamic, but it does not prevent Goldie from launching charm offensives and being very successful at it. Sometimes, the relationship is not an amorous one but both of you tremendously enjoy being together.

★★★★★ Conciliation aspect ♀ Neptune ♂ Mars, Strength: 15.2

The association of water with fire is usually impossible, but in this case, it may prove harmonious in the sense that Goldie's sensitivity and kindness allow Kurt's capacity of action to be expressed to the fullest: actually, you are "compatible" and Kurt's dynamic attitude balances Goldie's idealistic and passive sides. On the physical plane also, harmony is likely to settle in, Kurt being the relationship's mobile and active pole, and Goldie expressing her charm, compassion and seductive power.

★★★★★ Conciliation aspect ♀ Mercury ♀ Venus, Strength: 12.3

Gentleness and affection on the one hand, and easy communication on the other hand, your qualities are in a state of permanent receptivity and bring about a most pleasant comprehension. Goldie enjoys continuously talking, explaining and expressing her ideas, while Kurt encourages her through a warm attitude, which provides her with the necessary confidence and stimulation. In this way, Kurt can inspire Goldie's literary or intellectual

Your Relationship

creativity and, why not, he can help her disseminate her ideas and contribute to her success in this regard. Goldie will always find in Kurt the affectionate support she needs in her difficult moments or when her creativity lacks inspiration.

★★★★★ Conciliation aspect MC MC ♀ Venus, Strength: 12.1

Goldie feels a sort of fascination for Kurt and idealizes him. Your relationship is warm and Kurt is very happy to be the object of Goldie's idolatry. In return, Kurt contributes to the achievement of Goldie's objectives or he supports her professional destiny. Goldie's unlimited admiration for Kurt is a sign of solidity for your relationship and both of you will find it very rewarding.

Your Weak Points

★★★★★ Tension aspect ♃ Jupiter ☽ Moon, Strength: 95.9

You may tend to choose the easy way out and Kurt may think that Goldie's attitude is too exuberant and even conceited. However, your compatibility is not endangered. Goldie may be authoritarian and laudatory whereas Kurt may want to take advantage of her generosity in a selfish way. But in any case, quarrels never arise. There are only a few feelings of minor breaches of trust or of overestimation regarding the help and benefits Goldie provides Kurt with.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Tension aspect ☽ Moon ☽ Sun, Strength: 87.8

Obviously, there is an instinctive attraction between you but, quite rapidly, an unexplainable lack of understanding may occur, leaving Kurt thirsting for warmth and affection and Goldie, sorry for not completely sharing Kurt's aims and ideals. This is not very important but, in the long run, feelings of frustration emerge on both sides, with Kurt a bit lonely on the path towards his ambitions, and Goldie unable to adjust her sensitivity or to fully express her love for Kurt. Your couple is not doomed to failure, however, reciprocal flexibility is needed.

★★★★★ Tension aspect ♄ Saturn ♀ Venus, Strength: 34.3

The nature of your relationship may become tricky in the long run. Over time, Goldie may deprive Kurt of affection, or she may not be able to express it, which comes down to the same thing. Kurt may be deeply frustrated and disheartened. Insidiously and slowly, you may grow away from each other, at least in the amorous area. Goldie may be indifferent to Kurt's efforts to improve the situation, whereas Kurt finds Goldie's attitude cold and insensitive. There is a real danger that you lose your partner if you are not cautious. Your relationship is not doomed to failure, of course, but this is a serious warning that much effort is needed from both of you. There is an old

Your Relationship

saying that, beyond love, the will to love is equally important.

★★★★★ Tension aspect ☽ Moon ♫ Saturn, Strength: 28.8

This is a serious warning for caution. It is likely that in the course of time, sometimes quite rapidly, communication gets bogged down. Goldie may be frustrated by Kurt's lack of warmth and in return, Kurt may be irritated by Goldie's lack of seriousness. The danger is present, clear and tangible, and both of you must put in a lot of effort in order to adjust to each other. Goldie often feels that Kurt's judgement is harsh, that he is too disciplined, too tidy and too selfish, while Kurt deplores Goldie's lightness and triviality. If you really love each other, with time, you can overcome your differences but you must not allow time to wear out the excitement of the first moments. The ball is in your court...

Communication Characteristics

Your Strong Points

★★★★★ Conciliation aspect ☽ Sun ♫ Saturn, Strength: 70.5

This relationship is a source of learning and of experience for your couple, each partner toning down the other one's excesses. Goldie helps Kurt overcome doubts and fears so as to better enjoy life with increased trust in success. Kurt, in the meantime, plays the role of the teacher, protective and reassuring, and tries to bring discipline and structure to Goldie who is not very clear-sighted regarding the necessity to set her personal limits. With time and patience, both of you can learn to take on your responsibilities. Therefore, your couple has every chance to be enduring, especially if there is a difference in age between you, in which case, Kurt becomes the stabilizing agent in the couple.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ♜ Jupiter ♜ Neptune, Strength: 65.3

Both of you are brought together by feelings of sympathy as well as by shared moral and spiritual aspirations. You are able to manage your interests very well and your professional cooperation may prove lucrative. You may also commit yourselves in some humanitarian work, in which case your respective qualities will also be expressed very positively.

Your Relationship

★★★★★ Conciliation aspect ☽ Moon ASAS, Strength: 58.1

Shared feelings and the same need for little secrets endow both of you with the capacity to express yourselves freely with the support of your partner, and this is favourable for your comprehension within the couple. A good understanding prevails between you in the family and domestic sphere: Goldie contributes to make home a comfortable and warm place where the whole family has its habits while Kurt, in return, brings movement, vitality and energy into it.

★★★★★ Conciliation aspect ☽ Sun ☽ Sun, Strength: 50.0

This relationship radiates a very positive harmony marked with mutual comprehension and enthusiasm. Your objectives are similar and each of you can play the role you aspire to, in the respect of your partner and with no rivalry. For both of you, your closeness is the source of the support and the encouragement you need in order to achieve your personal ambitions and it may give you the desire to share a common activity later on.

★★★★★ Conciliation aspect ♂ Mars ♀ Mercury, Strength: 49.2

You mutually stimulate each other but in different ways. Goldie's dynamism and provocations put Kurt on the alert. They prompt him to sharpen his mind and his conceptions, and thus, to constantly improve himself. Despite the tricky side of your exchanges, they constitute a positive drive. In the end, you are delighted by this pleasant joust because Goldie always feels a real intellectual excitement in Kurt and the latter has only one desire: to brilliantly do more, in order to overcome her criticisms and to improve his own verbal strategies, which are already very impressive. Besides, you can efficiently cooperate on the professional plane, as the combination of your complementary talents proves very fruitful.

★★★★★ Conciliation aspect ☽ Sun ♀ Mercury, Strength: 30.8

Both of you have in common a strong capacity to communicate and an obvious intellectual link that allows Kurt to most efficiently express his ideas while Goldie is always available and lends a sympathetic ear. The smoothness of your connection favours understanding within your couple but it is also a real asset for any professional cooperation where contacts, communication and words play an important role. Whether you share a commercial activity, or whether you participate together in a more literary work, you can work together very well: Goldie usually shows the way and Kurt analyzes all the possibilities and dissects the best strategies.

Your Relationship

★★★★★ Conciliation aspect ♀ Pluto ♂ Mars, Strength: 29.9

Your relationship is powerful and you feel a deep and mutual attraction. Both of you are equally active in the relationship, Kurt displaying spontaneity and straightforwardness, while Goldie's self-expression is more mysterious and instinctive. Goldie's ascendancy over Kurt allows her to penetrate his subconscious and to use this asset to guide his strengths. On the physical plane, your attraction may be very intense and both of you express your energy with satisfactory outcomes. If you are not in a couple, you can nevertheless fully release your creativity through concrete outlets that require a lot of resources.

★★★★★ Conciliation aspect ♀ Jupiter ♀ Pluto, Strength: 28.9

Kurt's ascendancy over Goldie may have a positive transforming effect and may encourage her ambitions and her actions in the fields of business, politics, as well as her moral and philosophical ideas. As you unite your strong intuition and optimism, you give yourselves the means to achieve projects together and also, to be successful on a more personal plane, in your couple's life.

★★★★★ Conciliation aspect MC MC ♀ Neptune, Strength: 26.1

Kurt's ideals strongly influence Goldie who wants to orientate her philosophical, moral or artistic conceptions in a similar direction. Kurt inspires Goldie and contributes to her spiritual development. There is some feeling of inaccessibility around Kurt that may create strange emotions in Goldie's heart. However, your bond is positive and your exchanges greatly influence Goldie's destiny.

★★★★★ Conciliation aspect ♀ Mercury ♀ Neptune, Strength: 21.2

You manage to make your meaning come through in a very original manner: with her ideas and her words, Goldie easily makes Kurt dream and she exacerbates his sensitivity and his imagination. Regardless of Goldie's logic or the intrinsic qualities of her reasoning, Kurt is mainly sensitive to its artistic, imaginary, indeed even mystical or poetic aspects. This endows your relationship with an unusual bent. Goldie's will to communicate will be greatly stimulated by Kurt's lyrical flights or his mysterious and quite elusive refinement. Therefore, the original keys to your mutual understanding and appreciation are made available to both of you.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through

Your Relationship

them later, for instance when you have the time read it again with deep attention.

★★★★★ Conciliation aspect ASAS ASAS, Strength: 20.9

On both the physical and psychological planes, you are totally on the same wavelength. It may be because you share some resemblance, or more often than not, because you are complementary. In any case, you get along harmoniously well. Even though you don't know each other well yet, everything goes as if you felt very familiar to the other one. In the end, you are able to understand each other easily and it is clear that physical compatibility indexes are strong between you.

★★★★★ Conciliation aspect ♀ Mercury ♂ Pluto, Strength: 16.3

There is a mysterious link between you. Kurt can penetrate Goldie's subconscious and understand her real thoughts and motivations. This type of inquisition may trouble Goldie but the alchemy of your relationship works very well. Goldie is intellectually mesmerized by Kurt's profundity and might. In return, Kurt is sensitive to Goldie's mental alertness and unusual conceptions. Your association may be very fruitful for your intellectual creations. Very often, at Kurt's contact, Goldie gains some kind of beneficial transformation or, at least, an enriching evolution.

★★★★★ Conciliation aspect ♃ Jupiter ♂ Mars, Strength: 12.6

It is very likely that cooperation between you is fruitful: Goldie brings in her experience, her generosity and her sound judgement, while Kurt brings in his efficiency, his capacity of action and his precise know-how. This configuration is very promising for the success of your common projects that require broad vision and concrete action at the same time. In a couple's life, this characteristic makes your home a very eventful place and not a haven of peace, for your mutual benefits.

★★★★★ Conciliation aspect ☽ Sun ☽ Uranus, Strength: 10.5

A magnetic attraction is instantly established between you and gives an exciting and non-conformist bent to your relationship. You stimulate each other in a cheerful and fraternal atmosphere and in this way, you live a continuously dynamic and eventful life. Goldie encourages Kurt to get rid of any possible inhibition in order to fully express his originality and to assert his independence more strongly. Kurt prompts Goldie to be less influenced by people's values, to show more open-mindedness and creativity in order to be at the front of the stage. Both of you know how to positively make use of the "liberating" effect you have on each other. You freely express your ideas and you communicate harmoniously.

Your Relationship

★★★★★ Conciliation aspect ♂ Mars ♃ Saturn, Strength: 10.0

Action and movement are coupled with stability and patience: this is an original mix that may bring about excellent assets to both of you. Goldie is the mobile and active element, while Kurt is the moderating agent who never loses sight of your common responsibilities. It is clear that your cooperation requires some time to get started but you both take advantage of it and, once it gets into its stride, you know perfectly well your roles within your couple. You can work together very well, with exemplary complementarity.

★★★★★ Conciliation aspect ♃ Saturn ♀ Jupiter, Strength: 9.3

A strong complementarity allows you to pool your talents for the sake of your professional or financial interests. Indeed, Goldie puts her entire experience and rigour at the service of Kurt's will to expand and to improve: caution coupled with broadness of vision brings a significant dynamism that is very profitable to your couple or your association.

Your Weak Points

★★★★★ Tension aspect MC MC ☽ Moon, Strength: 50.2

Kurt's carelessness or foolishness may tarnish Goldie's reputation. Therefore, the latter must never let vagueness prevail because the consequences may harm her career or her honour. This minor gap between you may cause annoyances and may be detrimental to the quality of your relationship. Kurt does not always understand Goldie's aims and this may have a negative impact on Goldie's popularity. In order to avoid such problems, both of you must be clear regarding the goals you really want to achieve. Such clarifications will allow you to get rid of this type of trouble.

★★★★★ Tension aspect AS AS ☺ Sun, Strength: 43.3

Competition develops very rapidly between two powerful wills striving to impress each other. The image that both of you want to project is accentuated by the partner and this "mirror" effect highlights realities that you both would have preferred to leave in the dark. Therefore, both of you feel threatened in your independence by a partner who is thought to be eccentric and domineering. Conflicts of authority are unavoidable if no one acknowledges the other one's own place in the couple.

★★★★★ Tension aspect ♀ Mercury ♀ Jupiter, Strength: 28.6

When you are thinking or discussing together, try to be wary about erroneous judgements or ideas. Kurt tends to accept Goldie's views with too much leniency or sometimes, he may use them ill-advisedly. Goldie may be influenced by his excessive kindness or she may be disappointed by his pretentious and authoritarian attitude. However, you can try to think and work together but in that case, exercise some caution, and all will be fine.

Your Relationship

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Tension aspect ASAS ♂ Saturn, Strength: 18.8

Kurt constantly criticizes and imposes limits on Goldie whom he sees as self-centered and immature. Kurt may hinder Goldie's freedom of expression and personal fulfilment. As a result, Goldie may end up questioning her self-worth and Kurt's love. Kurt may also be frustrated by the decisions Goldie takes hastily without consulting him beforehand. It is Kurt's turn to question his role within the couple. Therefore, your relationship may uncover both partners' complexes and shortcomings, and in some cases, it may even be stiffened by the boredom of routine.

★★★★★ Tension aspect ASAS ♀ Mercury, Strength: 10.9

You have difficulties in understanding your partner's motivations: Kurt prompts Goldie, who shows a lot of impulsiveness, to thoroughly think before moving ahead. In return, Goldie urges Kurt to be more active and to show less indecisiveness. Both of you feel threatened by the other one's insistence and you will both strive to impose your own mode of functioning.

Potential Mutual Influences

When we compare two astrological themes, in addition to the blatant and directly active relations that were delineated above, there is a number of potentialities which describe secondary mutual influences playing out in different life areas: they are not visible at once, as their effect is not direct, but they shed complementary light which fine-tunes certain attitudes between two persons. Indeed, in the long run, these different energies play out in a more noticeable way and will contribute to the relationship's richness and complexity. We analyze them here in ten short chapters addressing each of the ten types of energy involved. Please, keep in mind that they will not be understood and felt until the relationship has matured.

Your Mutual Encouragements

Goldie is very happy to be helpful and to contribute to Kurt's evolution in general. Goldie's efficiency and advice are all the more profitable if circumstances force you to remain together, for instance because you both work in the same place or because, somehow, you are tied together by your respective situation. This relationship index is an excellent agent for harmony, for example between a boss and an employee or between a teacher and a student.

Your Relationship

As Kurt stimulates Goldie's intellectual life and capacity for communication, he plays a revealing and amplifying role on her relations and offers her numerous and interesting encounters. Your association is profitable for your intellectual process and for the implementation of new ideas. It may also favour your professional short trips and your centres of interest.

Your Mutual Influence When Facing External Events

The deep bond between you allows both of you to intuitively sense the other one's mood and feelings. In mother-like and protective ways, Goldie strives to help Kurt to reveal more of his inner self and to get rid of complexes and unconscious fears. Goldie's insistence on having past events resurface gets Kurt's defence mechanism in motion and Kurt may feel quite embarrassed. However, with Goldie at his side, Kurt will understand better the twists and turns of his own thoughts and irrational anxiety.

Kurt contributes significantly to the development of Goldie's relations in order to get her involved into more important and varied circles. Your cooperation is tight and in most cases, it constitutes a factor that brings together conjugal partners in happy and pleasant ways.

Your Mutual Stimulations in the Field of Communication

Your working methods, and more generally, Kurt's daily lifestyle, are strongly influenced by Goldie's ideas. Goldie will not rest until she fully demonstrates her usefulness, her rapid efficiency and, in general, her multiple talents.

Intellectual exchanges are numerous and varied between you, with Kurt being particularly comfortable in expressing his thoughts and in steering Goldie towards new and entertaining centres of interest. The danger is that in your couple, both of you eventually get tired of too much prattling and communication, however, this case seldom occurs.

Your Reciprocal Abilities for Creating Harmony

You are united by a very strong sentimental and sensual bond and you want to share increasingly pleasant moments, either in intimacy or with friends, at home or outside... Everything draws you to each other and everything is a pretext to play around. Kurt is lost in admiration and encourages Goldie to express her creativity and her numerous qualities, while Goldie, in return, offers her warmth and generosity to Kurt. This mutual stimulation is tremendously beneficial for both of you.

Goldie may lack self-confidence and strives to win Kurt's appreciation. Kurt does not hesitate to show his warmth and his gentleness so as to comfort Goldie: ensuing feelings of mutual well being and sympathy are immediate and reinforce your couple's fundamental basis. Once in a while, expenses for

Your Relationship

the home may be quite high because you pay a lot of importance to beauty and comfort in this space. But both of you are equally active. Kurt always tries to turn your home into a nice place where, often at Kurt's initiative, you can receive your friends and share together a delicious meal in a convivial, intimate and relaxing atmosphere.

Your Mutual Stimulations in the Field of Action

Goldie's desire to conquer may be strongly increased at the contact of Kurt who symbolically becomes the person to be caught and to be possessed. This will to dominate may play out in the financial area instead: in that case, Goldie urges Kurt to take courageous initiatives in order to make more money, or she makes Kurt spend money lavishly. Therefore, there may be disagreements about your couple's possessions and resources, if Kurt does not accept such impulsive and quite intrusive manners.

Intellectual communication is stimulated in your couple: you spend lots of time discussing, phoning, writing... To you, all means are good! You need to constantly exchange ideas and to share an activity with your partner. Kurt is the driving force in your relationship and, under his impulse, both of you have a very eventful life. You make numerous short trips, which allow you to keep on learning, and then, to carry on your long and rich conversations... In this pleasant atmosphere, Goldie feels in confidence in Kurt's company and does not hesitate to share her problems and to confide her most intimate doubts.

Your Assets, Protections and Abilities for Success

Shared pleasure, artistic creations and leisure activities are inexhaustible sources of joy for both of you. Goldie enjoys pleasing Kurt and provides him with warmth and enthusiasm.

Kurt's maturity and experience rapidly offer Goldie the possibility to enlarge her knowledge and, in an atmosphere of sympathy and trust, to fill her shortcomings in the field of studies or in dealing with others. Kurt may tend to exaggerate, which brings about a few misjudgements, and it will be Goldie's turn to make allowances and to retain only the meaningful parts of Kurt's remarks.

Lessons Drawn From Experience and Your Responsibilities

Finance is an important area where Goldie plays a particularly active role. She may intervene in order to consolidate Kurt's resources with sound caution or she may strive to limit Kurt's expenses. In all cases, material issues may be tricky. Most often, financial matters are solved thanks to Goldie's common sense and forethought, although sometimes, they are considered with a bit of pessimism.

Your Relationship

Kurt's wisdom and detachment positively influence Goldie in areas dealing with life's higher purpose: spirituality, religion, and philosophy. All the pieces of advice Kurt provides on these topics take a peculiar dimension and incite Goldie to tend towards more serenity and depth. According to the Tradition, with this configuration, Kurt has a propensity to limit Goldie's travels, probably in order that Goldie can dedicate herself to more important tasks.

How You Motivate Each Other and the Impact on Your Uniqueness

Goldie takes on the role of "consciousness awakener" and may allow Kurt to become aware of blocks deeply buried in his unconscious, to get rid of them and to develop a stronger independent mind and a deeper intuition. Goldie urges Kurt to move forward without restriction and to embrace new adventures. Together, you certainly enjoy discussing matters dealing with psychology, the unconscious, the supernatural and anything hidden that seems to be beyond you, in general.

Cooperation or union may be completed quite rapidly between you, often under Kurt's irresistible impulse. Right from the start, he seems to intuitively know your common future. It is likely that he shakes up all the ideas Goldie may have on life together but, if you encourage each other to express more individualism and freedom in your search of new experiences, your union will be very successful.

Idealism, Compassion and Euphoria

In subtle and imperceptible ways, Goldie alters the atmosphere in Kurt's home and encourages him to have a more flexible and laid-back daily lifestyle. Goldie tries to convince Kurt to forget his great, yet prudent, principles, to let some air of freedom in, and to indulge in whatever he pleases, which might become worrisome... The danger lies there, dormant, for Kurt to experience dissolute behaviours or to make excessive and inconsiderate expenses.

Kurt's ideals strongly influence Goldie who wants to orientate her philosophical, moral or artistic conceptions in a similar direction. Kurt inspires Goldie and contributes to her spiritual development. There is some feeling of inaccessibility around Kurt that may create strange emotions in Goldie's heart. However, your bond is positive and your exchanges greatly influence Goldie's destiny.

Awareness Gaining and Transformation Factors

In the area of ideas, as well as in that of daily and close relationships, Goldie may bring the puff of renewal and evolution into Kurt's life and make him gain awareness of several aspects that were concealed so far. Sometimes, these pieces of advice, or influences, may be expressed in a domineering way.

Your Relationship

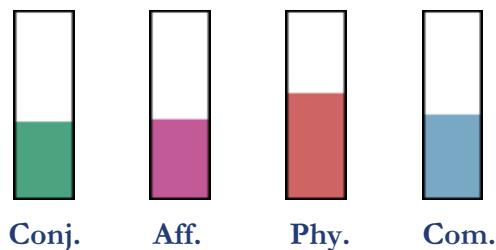

But, at the end of the day, it does not really matter, because positive transformation is achieved.

Goldie may become aware of new hidden facets of her qualities, thanks to Kurt's valuable help, and she may evolve towards a better understanding of her inner self. Sexual and financial areas are favoured in your relationship, either in the form of a beneficial elimination of your mutual inhibitions, or in the mobilization of your respective energies, with a view to making good investments. However, there is a danger that some tensions may occur, depending mainly on other active factors in your couple.

Indexes and Couple's Diagnosis

Conjugal index	42%
Affective index	44%
Physical index	57%
Communication index	46%

Your relationship goes through ups and downs, even though it is very likely that your love is of an exceptionally high quality. There is nothing tragic. Indeed, both of you have the inner resources required in order to establish a lasting relationship through dynamic exchanges. However, you never underestimate the differences existing between you. Your partner does not always resemble you and must sometimes struggle to understand you. But isn't this gap an opportunity to share complementarities and challenge yourselves? A good factor of evolution and a possibility of success in life, if you are willing to make the effort.

Disclaimer

As explained in our introduction, the above ratings and comments constitute only average figures based on the inter-aspects found in your synastry. The most significant part you should read is in the important relevant paragraphs and not in this conclusion, which is given for information purposes only.

Very low compatibility ratings do not rule out long and fulfilling relationships. Conversely, high ratings may not lead to the couple you are dreaming of: one's astrological climate - especially that given by your transits - as well as your natal chart may provide valuable and additional indications for the future of your relationship.

Conclusion

Conclusion

We hope that this Report has shed light on how your relationship works, as well as on the various aspects of your respective personalities.

There is a point that we deem necessary to underline: in our conclusion, we want to insist one last time on the meaning of the compatibility ratings; the marks that quantify your affinities never give an implacable verdict regarding the quality of your couple's relationship.

Here, we are dealing with the more or less smooth way in which you actually experience your relationship, and under no circumstances, are we addressing its beauty or its strength.

For the sceptical ones who do not believe in astrology, we do not resist the pleasure to quote a few comments by persons of authority in this area. They are drawn from the excellent book authored by one of the undisputed French masters, André Barbault, *Traité Pratique d'Astrologie* (Practical Treatise of Astrology), published by the Editions du Seuil:

KEPLER: « Twenty years of practical studies have convinced my rebellious mind of the reality of astrology. »

HENRY MILLER: « Astrology considers man in his wholeness and I believe that it is essential: man is a comprehensive being. Astrology shows that nature has its rhythms and that each human being participates in these rhythms... »

C.G. JUNG: « If people whose education leaves a lot to be desired have thought that they could, until recently, make fun of astrology, considering it as a pseudo-science dead a long time ago, this astrology, dating back to the depths of popular wisdom, comes up again at the door of our universities, which they left three centuries ago. »

SAINT-JEROME: « I remain silent on philosophers, astronomers, astrologers whose science, very useful for men, is asserted through dogma, explained through method, justified through experience... »

ARISTOTLE: « This world is linked in a necessary way to the movements of the superior world. Any power, in our world, is ruled by these movements. »

BALZAC: « Astrology is a huge science that has ruled the most intelligent minds. »

PIERRE SCHAEFFER: « It seems to me that astrology can, in its way, through the configurations studied, detect the most secret relationships of human being's inner life. »

Conclusion

The list of personalities who are in favour of astrology is increasingly long. It is clear that, in the 21st century, astrology is gradually given back the place it used to enjoy, except during the past three centuries: a human discipline that works well, with its questionings, its research and its evolution, but also with the mystery over the reasons of its accuracy.

Regarding interpersonal relationships, the debate is quite similar to that of astrological forecasts. Although fate is not inescapable, it does not allow to dismiss a great number of peculiar behaviours that everyone finds astonishing. For instance, instinctive sympathies and antipathies, sometimes with no apparent cause and lasting for a whole lifetime, remain definitely mind-boggling.

Astrological rules applied to the comparison between two charts produce a quick answer because basic incompatibilities exist, in the same manner as fire does not blend well with water or a journalist's mind does not match a researcher's because their respective and basic objectives are too different.

Thus, astrology allows to quickly understand what could otherwise be ascertained after quite a long period of time. Isn't it already one of the justifications of its practice?

We do think so and we strive to draw information for the benefit of as many people as possible.

However, do not forget that the results and the explanations provided to you are only indications and that it is up to you, and to you only, to decide which path your couple is to follow: the stars incline but they do not compel.
