Compatibility Report Gisele and Tom

Introduction: Relationship Analysis

This report integrates all the astrological parameters used by professional astrologers in their comparative studies of a couple's charts, also known as synastry, and uses a comprehensive methodology based on compatibility calculation: we compute the outcome of all the possible combinations existing between two charts and we establish a conjugal index, an affective index, a physical index for the couple's compatibility, and a communication index.

The programme takes eleven major and minor aspects into account, weighing with accuracy formulas for each aspect and rulership. It also analyzes fifteen astrological items (planets and angles, Chiron, Lilith and the Lunar Nodes axis). All the above factors are used for the study of couples and the assessment of our four compatibility ratings or indexes:

The conjugal index

describes the essence of the relationship in view of a marital relationship. It explains the basis and the structure of the link. It is the most important element among the four series of information that are provided here.

The affective index

describes the strength of the sentimental components; it is one of the elements of the relationship structure.

The physical index

gives an idea of the sexual attraction. It indicates only a tendency and you must bear in mind that this very subtle kind of forces may not always express themselves in a constantly equal way, but that they may vary significantly according to other modes of exchange.

The communication index

describes the easy flow of your exchanges, regardless of any affective and physical context. It provides additional and interesting information and may be a binding and amplifying agent among other modes of exchange.

Introduction

These four indexes or ratings are given a grade between 0% and 100%.

What is the concrete meaning of these ratings? They indicate the smoothness of exchanges between two persons and not the quality of their love. Indeed, both partners retain their own choices, their relationship problems or their peculiarities: therefore, it is possible to get ratings nearing 100% although the relationship does not have a positive outcome. Please, never forget a few obvious rules and facts such as in the following examples:

- everyone has one's own character and, for instance, if someone has a predisposition for a belated marriage, an encounter at the age of 18 with a compatible person does not necessarily result into a marriage or a relationship, even if the rating is very high.
- each life goes through very different periods. We may not be available for amorous relationships because we are already involved in a couple or because our state of mind is not conducive enough etc. Therefore, meetings with persons with whom ratings are very high do not necessarily result into a relationship.
- some couples may have quite low ratings; this does not mean unhappiness or problems in the relationship. A conjugal rating of 35% or 40% is absolutely not incompatible with a life-long relationship. The ratings cannot really give information on the intensity of your relationship, which defies these types of criteria. We underline again that we are dealing here with smoothness and not with quality and that two persons with an index of 30% or even 10%, will not experience an "inferior" quality of love, compared to a couple with an index of 80%: the difference probably comes from the fact that they will need to put a lot of energy and efforts in the relationship in order to enhance it and to make it last.

Please, do bear in mind that these figures represent a tendency and not a final verdict, because of all the factors we have just explained.

This report describes in detail the characteristics of your couple's relationship, sorted out in order of importance. They are arranged in two chapters, the first one deals with the relationship from an amorous perspective only, while the second chapter deals with its human aspect, not specifically amorous, which is the communication plane; of course, both parts are linked to each other since the relationship forms a whole. Read them once again, you will most probably be amazed and you will see for yourself how accurate they are. However, please bear in mind that a human relationship is complex and may contain contradictions, which our report cannot highlight, for obvious reasons: indeed, the synthesis of the compatibility indexes with their texts is the only tool that allows to understand properly your couple's relationship.

Introduction

Your four compatibility indexes are provided with a comment regarding their values.

Love Characteristics

Your Strong Points

★★★★★ Conciliation aspect ☾ Moon ♃ Uranus, Strength: 56.2

There is a strong stimulation between you and a nice magnetic attraction boosts your exchanges. Gisele is sensitive to Tom's originality and dynamism while Tom easily feels Gisele's charm and seductive powers. The relationship is bent towards an exoticism and a mutual amazement that may threaten your couple stability. But this tendency is not really serious because it can be offset by other factors. Often, amazement and discoveries are your couple's nourishments and... they are invaluable so, enjoy without moderation! Besides, it is very likely that you met under very unusual circumstances.

★★★★★ Conciliation aspect ☾ Moon ♀ Venus, Strength: 41.1

Mood and tenderness are coupled in order to bring the two of you together and to provide both of you with the pleasure of being together. Gisele naturally uses her good humour to create a serene, light and amusing atmosphere and Tom easily expresses his entire affection to Gisele. Living together is pleasant and you happily share cultural interests and entertainments with a lot of happiness. Life together is harmonious and the relationship is easy on a daily basis, almost too easy, if something negative were to be added! There is nothing you can complain about, so enjoy these soothing exchanges, you won't be sorry for it.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

Your Relationship

★★★★★ Conciliation aspect ♀ Venus ASAS, Strength: 33.4

Both of you immediately feel the pleasure of being together. Gisele irresistibly attracts Tom who falls under her spell straight away. Your amorous attachment is obvious and both of you are aware that you have the same feeling of mutual gratitude. Therefore, you emotionally identify yourself with your partner. One of the consequences of your relationship's nice characteristic is that the partner who pays the most importance to physical aspects can help the other one evolve aesthetically or find the best style or the best look!

★★★★★ Conciliation aspect ♀ Venus ♃ Saturn, Strength: 29.6

There is a wonderful sign of quality and durability in your relationship. You have every chance to avoid sudden and unfair splits because your mutual feelings are altogether calm, tender and responsible. Gisele can certainly rely on Tom in spite of the latter's natural reserve, and Tom can stabilize any affective overflow... both ways. Therefore, trust is prevailing and you can rely on each other on a long-term basis. Tom's sense of responsibilities looks out for squalls, his honesty, his integrity and his sense of duty are such that it is very likely that you will go a long way together and for a long time.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Conciliation aspect ♀ Venus ♂ Mars, Strength: 20.6

This is the best possible sign of physical compatibility between two persons and it had to be yours! Both of you have the luck of the devil because you can freely express all your desires and experience them together without restraint, with harmony and voluptuous pleasure. It is not exaggerated to say that the contact between you is magnetic, even electric: you are highly sensitive to the physical presence of your partner and both of you equally appreciate the other one, a little bit in the way children appreciate chocolate! In your couple, Tom is more active and dynamic, but it does not prevent Gisele from launching charm offensives and being very successful at it. Sometimes, the relationship is not an amorous one but both of you tremendously enjoy being together.

★★★★★ Conciliation aspect ♀ Venus ♃ Jupiter, Strength: 15.6

The compatibility within your couple is very good and there is every chance that all will be well: Tom's warm benevolence and Gisele's softness are in a state of constant receptivity. This link often translates into a legalization of the couple. You will harmoniously set up home and start a family where each of you will play a complementary role: Tom will take action and initiate your

Your Relationship

projects, while Gisele will wonderfully run the home and all matters related to it, from child-rearing to receiving your numerous friends. Gisele appreciates Tom's wisdom and optimism. In return, Tom is excited by Gisele's artistic qualities and by her soothing affection.

★★★★★ Conciliation aspect ♀ Venus ♃ Neptune, Strength: 9.4

Your relationship is so deeply marked with purity and an almost mystical quality that both of you feel as if you were on cloud nine. Both of you may have difficulties in discriminating between dream and reality because for you, everything plays out at a subtle and ethereal level. Your heart impulses are immediately echoed in the other one's feelings and you may experience a quality of love that Romeo and Juliet would envy you. Tom tends towards selflessness and self-sacrifice for the sake of Gisele's happiness, but there is no need for that because mutual tenderness and affection are strong. If physical attraction is also prevailing between you, the quality of your couple may reach a state of perfection. Artistic cooperation is a perfect outlet, should your respective contexts not be conducive to a love relationship.

Your Weak Points

★★★★★ Tension aspect ♂ Mars ☾ Moon, Strength: 64.8

The relationship is quite... explosive. Gisele can't help trying to dominate Tom who doesn't agree. The atmosphere is often electrical and the danger for you always comes from Tom's too deep receptivity as well as from Gisele's apparent violence. Unwillingly, Gisele may hurt Tom to the extent that fights occur and cannot be easily brought to an end because no one is ready to give in. To find the antidote against this type of behaviour, Gisele must curb her active and domineering ardour and Tom must tone down his touchiness. It is difficult for both of you to do so, but if you really love each other, you will succeed because your relationship is really worth it. In any case, there is always something going on!

★★★★★ Tension aspect MCMC ♀ Venus, Strength: 25.3

Tom may take advantage of Gisele's position quite unfairly. Or Gisele's reputation may be tarnished because of Tom's whims or lack of effort. Gisele's generosity may be misused but there is nothing really harmful for none of you. It is just a matter of discrepancy between Tom's doings and Gisele's interests.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

Your Relationship

★★★★☆ Tension aspect ♂ Mars ♀ Venus, Strength: 19.0

Physical attraction between you is strong but it may not be expressed in the most harmonious way. Tom often feels that Gisele is violent or pressing. Although Gisele is drawn to Tom, she is unable to find the right attitude that would win his favours. Jealousy may also be an important risk factor in your couple. Therefore, tensions may settle in, blending desire and frustration. If Gisele does not understand that she is being brutal with Tom, there is a real danger that the relationship wears out. Similarly, Tom may be partly responsible for those disharmonious exchanges, for instance when he wrongly suspects Gisele of being ill-intentioned.

Communication Characteristics

Your Strong Points

★★★★★ Conciliation aspect ♃ Jupiter ♿ Mercury, Strength: 47.8

Intellectual and professional cooperation has every chance to be efficient and warm. Tom's nimble, nervous and quick side perfectly matches Gisele's experience, charisma and wisdom, at least, this is the way both of you feel it. Whether as professional partners, or as a couple, it is certain that your relationship flows smoothly and that it enriches both of you. Gisele's tolerance and benevolence go along well with Tom's mental skills and creativity. You can share a great number of centres of interest and your association is a very beneficial one.

★★★★★ Conciliation aspect ♀MC MC ☾ Moon, Strength: 46.7

Tom instinctively understands Gisele's major objectives and contributes to their achievement. Gisele finds in Tom all the support and the warmth she needs in order to believe in her own capacities. Tom is often behind Gisele's meetings with an audience, or he finds supportive persons within the circle of your friends or your customers, if you work together in the same company. Gisele's reputation and fame are shown in a flattering light when Tom stands by her side. This excellent sign of shared ambitions and objectives may also greatly contribute to your couple's harmony and further its integration within your respective entourages.

★★★★★ Conciliation aspect ♿ Mercury ♀MC MC, Strength: 30.7

Gisele easily understands Tom's objectives and this is an excellent agent for closeness. Exchanges flow smoothly between you and if, for instance, you share a business or if you work together, Tom will benefit from Gisele's ingeniousness and from her sense of communication. Gisele puts her entire intelligence at the service of Tom's career or destiny. In a couple, this type of link tremendously contributes to the development of your common projects,

Your Relationship

even if Tom is the person who benefits most from Gisele's excellent ideas.

★★★★★ Conciliation aspect ♃ Pluto ASAS, Strength: 29.5

Your bond is instinctive and brings about a very subtle, sensitive and sensual communication that is able to arouse very powerful feelings on both sides. You encourage each other to improve yourselves: Gisele helps Tom gain awareness about the necessity to question himself and to develop his own priorities, while Tom strongly boosts Gisele's psychical energy. You can experience a great, intense and exclusive passion, however, Gisele tends to dominate and control Tom who may develop a sort of dependency that, strangely enough, will be well accepted because the relationship is such a harmonious one.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Conciliation aspect ♂ Mars ♃ Pluto, Strength: 19.3

Your relationship is powerful and you feel a deep and mutual attraction. Both of you are equally active in the relationship, Gisele displaying spontaneity and straightforwardness, while Tom's self-expression is more mysterious and instinctive. Tom's ascendancy over Gisele allows him to penetrate her subconscious and to use this asset to guide her strengths. On the physical plane, your attraction may be very intense and both of you express your energy with satisfactory outcomes. If you are not in a couple, you can nevertheless fully release your creativity through concrete outlets that require a lot of resources.

★★★★★ Conciliation aspect ☉ Sun MC MC, Strength: 18.5

Gisele can play an important role in Tom's destiny, in the amorous or conjugal life, in the career area or in the field of spiritual and philosophical concepts. Tom tends to idealize Gisele, or at least, to happily follow her example and her advice. There is an excellent sign in favour of a professional activity or a life together because, due to the real harmony prevailing between you, Tom accepts Gisele's natural authority and experience. He appreciates her attitude without reservation, as well as the support and the improved status she provides.

Your Relationship

★★★★★ Conciliation aspect ♄ Saturn MCMC, Strength: 15.1

Gisele is particularly demanding and picky about Tom's objectives but she earnestly and persistently supports Tom's ambitions. Step by step, Gisele teaches Tom to make long-lasting efforts in order to achieve success. Tom quickly understands that, although Gisele may appear as a wet blanket, it is for his own good and therefore, he admires Gisele and readily accepts her unfailing support. Gisele is somehow the power behind the throne in your tandem or in your couple.

★★★★★ Conciliation aspect ♃ Uranus MCMC, Strength: 14.2

You met under original and sudden circumstances and that was enough to bring you together. You appreciate each other very much. Gisele's new, surprising and non-conformist ideas certainly radically alter Tom's approach to life. Thus, opportunities to change his life are offered to Tom in a way that is all the more positive because Gisele fully respects his freedom and his enterprising mind. Gisele values the fact that Tom positively appreciates her influence.

★★★★★ Conciliation aspect ☾ Moon ♀ Mercury, Strength: 13.6

You are so lucky: Tom instantly and almost magnetically understands Gisele's mood and he can communicate with the right words, in the simplest and most natural way. Gisele can rejoice that her sensitivity is instinctively perceived by Tom. This type of communication is excellent for all forms of cooperation, far beyond the amorous relationship. Gisele's imagination and mood influence Tom's intellectual inspiration and the sole fact that you are together constitutes the perfect stimulation. Gisele appreciates Tom's brilliant mind and therefore, communication is strengthened and enriched for both of you.

★★★★★ Conciliation aspect ASAS MCMC, Strength: 12.0

Tom's interests are always marvellously taken care of by Gisele. There is a good cooperation between you, you get along well and efficiency prevails! Gisele does not need to make an effort to get things moving and to positively influence Tom's destiny! Fate is fair to you and as a reward, events, which you provoke together, enrich Gisele and benefit her evolution.

★★★★★ Conciliation aspect ♃ Jupiter ♃ Uranus, Strength: 9.4

Gisele puts her entire benevolence and her warmth at the service of Tom's originality and audacity. In some cases, you make a very peculiar tandem where the inventive genius of your private or professional couple can express itself strongly because your complementarity favours any bold project you participate in.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

Your Relationship

★★★★★ Conciliation aspect MCMC ♃ Pluto, Strength: 8.7

Whether you like it or not, there are power struggles between you. Tom's authority and strength have a determining influence on Gisele, whose destiny is irresistibly and positively transformed by Tom. In Gisele's view, Tom appears as a demanding but mysterious and fascinating figure, whose charisma and hidden powers impress Gisele very deeply. All this makes your couple all the more steady.

Your Weak Points

★★★★★ Tension aspect ♀ Mercury ASAS, Strength: 23.6

You have difficulties in understanding your partner's motivations: Gisele prompts Tom, who shows a lot of impulsiveness, to thoroughly think before moving ahead too hastily. In return, Tom urges Gisele to be more active and to show less indecisiveness. Both of you feel threatened by the other one's insistence and you will both strive to impose your own mode of functioning.

★★★★★ Tension aspect ♃ Jupiter ♂ Mars, Strength: 21.6

A minor imbalance troubles your relationship but without seriously threatening it. Gisele's heedless and groundless optimism may prompt Tom to take foolhardy and useless actions, with reproaches cropping up as a result. Both of you may therefore spend lots of energy, to no avail. If you must do something together, both of you must first get organized and ensure that you have the means to achieve your common projects before you get started.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Tension aspect ASAS ASAS, Strength: 19.6

Your characters are not alike. You are very different in terms of the image you project, as well as in the way you are seen by others, and you have difficulties in "hitting it off". Learning to know each other and coming closer to each other is the indispensable step you must go through before you get any further in your relationship, because your personalities are very alien to each other.

★★★★★ Tension aspect ♄ Saturn ♃ Jupiter, Strength: 15.6

You often find it difficult to take action together because your approaches are very different. Tom is generally optimistic, always ready to charge ahead and to take risks for your enterprises, while Gisele slows down and weighs up the risk factor, which tends to undermine Tom's enthusiasm. Therefore, your cooperation may not be very efficient.

Your Relationship

★★★★★ Tension aspect ♃ Pluto MCMC, Strength: 14.6

Gisele's authority is not well accepted by Tom. The consequences of Gisele's actions may jeopardize Tom's objectives, for some hidden reasons. It seldom occurs in real life, however, there is a danger that this quite domineering influence may upset Tom because its expression is too harsh, or just because Tom feels that it undermines his freedom. Gisele must control her ascendancy over Tom or she must curb down her desire to influence him, if she wants to keep Tom's esteem or his love.

★★★★★ Tension aspect ♀ Mercury ♃ Pluto, Strength: 13.4

You may not understand each other because Tom is not aware of the desire for intellectual domination that he inevitably exercises over Gisele. Gisele may feel aggressed and manipulated by Tom. In other moments, Tom is unable to understand Gisele and will use his ascendancy over Gisele in order to solve the situation. Your interest is to show open-mindedness and to be cautious to step back so as to avoid regrettable misunderstandings. Gisele's vulnerability to Tom's personality may become detrimental to the balance of your relationship.

Potential Mutual Influences

When we compare two astrological themes, in addition to the blatant and directly active relations that were delineated above, there is a number of potentialities which describe secondary mutual influences playing out in different life areas: they are not visible at once, as their effect is not direct, but they shed complementary light which fine-tunes certain attitudes between two persons. Indeed, in the long run, these different energies play out in a more noticeable way and will contribute to the relationship's richness and complexity. We analyze them here in ten short chapters addressing each of the ten types of energy involved. Please, keep in mind that they will not be understood and felt until the relationship has matured.

Your Mutual Encouragements

Gisele may play a preponderant role in Tom's destiny, whether on the amorous and conjugal plane, or on that of career and spiritual or philosophical conceptions. Tom tends to idealize Gisele or at least, to happily follow her example and her advice. This configuration is excellent for your profession or for your couple's life, since Tom accepts Gisele's natural authority and experience, owing to the real harmony prevailing between you. Tom appreciates without reservation Gisele's attitude, which provides him with support and improved standing. Therefore, there is every chance that you will fare a long way together, for your greater good. The danger is that Gisele may show a quite tough or lofty facet of her personality, which may provoke

some lack of understanding from Tom's part.

More often than not, Tom picks up Gisele's flaws too quickly and it is clear that none of you should rely too much on appearances because they are deceitful. There is a real danger that you undergo moments of doubts but, in compensation, Tom may operate a beneficial transformation on Gisele. Magnetism is the basis of your deep mutual physical attraction. In addition, the Tradition also associates this configuration with events that may cause financial problems.

Your Mutual Influence When Facing External Events

Shared feelings and the same need for little secrets endow both of you with the capacity to express yourselves freely with the support of your partner, and this is favourable for your comprehension within the couple. Good understanding prevails between you in the family and domestic sphere: Gisele contributes to make home a comfortable and warm place where the whole family has its habits, while Tom, in return, brings movement, vitality and energy into it. In some circumstances, Gisele may disapprove of Tom's impulsive way of expressing himself.

Tom's presence at Gisele's side is an element of well being and movement. Tom's advice and influence contribute to improve Gisele's interior decoration skills or, more fundamentally, to modify her family environment, and in some cases, to move house. The danger may be to change for the sake of changing.

Your Mutual Stimulations in the Field of Communication

Travels and debates on moral, philosophical or spiritual topics are part of your relationship's important components. Gisele never runs out of ideas in order to stimulate Tom's imagination and to make both of you actually move in space or in your minds.

This characteristic is found in both of you. Thus, it is particularly typical of your relationship.

Your Reciprocal Abilities for Creating Harmony

You share the same moral and cultural values, as well as a same philosophical approach to life or, at least, both of you try to accept the other one's ideas and you are successful in doing so. Gisele's appetite for life and love for beautiful things being particularly contagious, both of you certainly feel the same impulse towards life's good things. In return, Tom's concepts and idealism enrich Gisele's discoveries. You also enjoy very much travelling together.

When facing any domestic, professional or health problems, Gisele can rely on Tom's unconditional help and support. Tom always shows an affectionate

and encouraging attitude towards Gisele, somehow playing the role of the dedicated caregiver, dressing Gisele's wounds and striving to alleviate painful periods with softness, joy and beauty.

Your Mutual Stimulations in the Field of Action

In your couple, Gisele does not lack initiative, either to express her intimate desires or to question Tom at length in order to try to understand unconscious issues that prevent Tom from being fulfilled. Thus, Gisele's clear-sightedness often brings to light Tom's weaknesses. Your relationship certainly allows both of you to question yourselves and to evolve, even though in some cases, it seems to both of you that it is a terrible ordeal...

There is often a strong physical attraction between you; usually, it does not take long before Tom lets Gisele know it, sometimes with great impatience. Then, Gisele reacts either with good humour, or with irritability if Tom has been too insistent... Besides, Tom may encourage Gisele to express her creativity without restraint or even, her desire to have children. Both of you enjoy sharing sports activities that imply some degree of competition.

Your Assets, Protections and Abilities for Success

Whether through her social relationships or through her knowledge, Gisele protects Tom and contributes towards the success of Tom's projects, sometimes, too generously. The ensuing sympathy and warmth obviously favour the tie already existing between you.

Tom's protection, know-how and optimism help Gisele solve her daily problems. This is particularly true if there is a professional tie between you. Gisele progresses and appreciates Tom's loyal and jovial attitude.

Lessons Drawn From Experience and Your Responsibilities

It is very likely that many issues crop up between you because Gisele expresses her solemnity and her quite inquisitive side too often. Tom's vulnerability is harshly challenged and both of you must find in yourselves the optimism you need in order to transform this tough situation into a source of learning and evolution that benefits your couple.

Tom is like a radar, peering into the depths of Gisele's subconscious, and he cannot help underlining Gisele's weaknesses and vulnerabilities, which inevitably weakens your relationship, unless this way of doing is accepted without revolt. It remains that durability is your challenge because Gisele must learn patience and tolerance in many circumstances, while Tom tends to press down with all his weight, with austere and quite harsh judgements against Gisele.

How You Motivate Each Other and the Impact on Your Uniqueness

Both of you influence the other one's material behaviour: Gisele encourages Tom to show more detachment and thoughtlessness in this area - which may lead to some carelessness -, while Tom supports Gisele and helps her gain a more pragmatic and concrete perspective. As a consequence, Gisele's intuitive abilities, which are always ready to be expressed, fully benefit Tom.

You met under original and sudden circumstances and that was enough to bring you together. You appreciate each other very much. Tom's new, surprising, and non-conformist ideas certainly radically alter Gisele's approach to life. Thus, opportunities to change her life are offered to Gisele in a way that is all the more positive because Tom fully respects her freedom and her enterprising mind. Tom values the fact that Gisele positively appreciates his influence. However, in a few cases, Gisele finds it hard to understand this excessive originality that may appear as a lack of consistency.

Idealism, Compassion and Euphoria

Gisele favourably influences Tom in artistic areas and in everything related to sensitivity and art in general. Gisele gently communicates her frames of mind, which are at the same time mystical, wandering and stimulated by an ever-renewed imagination. Sometimes, communication runs so deeply between you that you have the feeling that you are both telepathists! But your exchanges are so rich and overwhelming that you may be confused and you may not know any more where you stand when more concrete matters are involved.

This kind of link may lead Tom to attend to Gisele's major problems in altruistic and efficient ways, or, conversely, it may prompt him to run away. It mainly depends on Gisele's willpower, whether she chooses to revive and bring out her philosophical, even mystical conceptions of life and move forward, or whether she gives up because she wrongly interprets Tom's generous but quite vague attitude and his commendable will to help.

Awareness Gaining and Transformation Factors

Your bond is instinctive and can bring about a very sensitive and sensual communication that is able to arouse very powerful feelings on both sides. You encourage each other to improve yourselves: Gisele helps Tom gain awareness about the necessity to question himself and to develop his own priorities, while Tom strongly boosts Gisele's psychical energy. You may experience a great, devouring and exclusive passion, however, Gisele tends to dominate and control Tom who may develop a sort of dependency that, strangely enough, will be well accepted because the relationship is such a harmonious one. In a few cases only, power struggles may develop, owing to

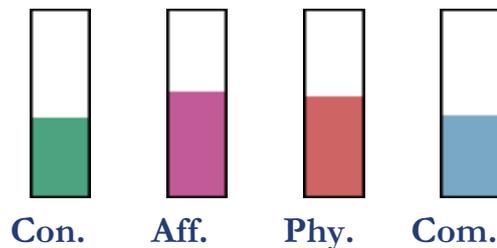

Your Relationship

Gisele's attitude.

Whether you like it or not, there are power struggles between you. Tom's influence, authority and power can favourably and irresistibly transform Gisele's destiny. Tom may be extremely demanding and appear as a mysterious and fascinating figure to Gisele. Indeed, Gisele feels a hidden and charismatic authority in Tom. All this makes your couple all the more steady. It seldom occurs in real life, however, there is a danger that Tom's domineering influence upsets Gisele because its expression is too harsh, or only because Gisele feels that it undermines her freedom.

Indexes and Couple's Diagnosis

Your relationship goes through ups and downs, even though it is very likely that your love is of an exceptionally high quality. There is nothing tragic. Indeed, both of you have the inner resources required in order to establish a lasting relationship through dynamic exchanges. However, you never underestimate the differences existing between you. Your partner does not always resemble you and must sometimes struggle to understand you. But isn't this gap an opportunity to share complementarities and challenge yourselves? A good factor of evolution and a possibility of success in life, if you are willing to make the effort.

Conclusion

We hope that this Report has shed light on how your relationship works, as well as on the various aspects of your respective personalities.

There is a point that we deem necessary to underline: in our conclusion, we want to insist one last time on the meaning of the compatibility ratings; the marks that quantify your affinities never give an implacable verdict regarding the quality of your couple's relationship.

Here, we are dealing with the more or less smooth way in which you actually experience your relationship, and under no circumstances, are we addressing its beauty or its strength.

For the sceptical ones who do not believe in astrology, we do not resist the pleasure to quote a few comments by persons of authority in this area. They are drawn from the excellent book authored by one of the undisputed French masters, André Barbault, *Traité Pratique d'Astrologie* (Practical Treatise of Astrology), published by the Editions du Seuil:

KEPLER: « Twenty years of practical studies have convinced my rebellious mind of the reality of astrology. »

HENRY MILLER: « Astrology considers man in his wholeness and I believe that it is essential: man is a comprehensive being. Astrology shows that nature has its rhythms and that each human being participates in these rhythms... »

C.G. JUNG: « If people whose education leaves a lot to be desired have thought that they could, until recently, make fun of astrology, considering it as a pseudo-science dead a long time ago, this astrology, dating back to the depths of popular wisdom, comes up again at the door of our universities, which they left three centuries ago. »

SAINT-JEROME: « I remain silent on philosophers, astronomers, astrologers whose science, very useful for men, is asserted through dogma, explained through method, justified through experience... »

ARISTOTLE: « This world is linked in a necessary way to the movements of the superior world. Any power, in our world, is ruled by these movements. »

BALZAC: « Astrology is a huge science that has ruled the most intelligent minds. »

PIERRE SCHAEFFER: « It seems to me that astrology can, in its way, through the configurations studied, detect the most secret relationships of human being's inner life. »

Conclusion

The list of personalities who are in favour of astrology is increasingly long. It is clear that, in the 21st century, astrology is gradually given back the place it used to enjoy, except during the past three centuries: a human discipline that works well, with its questionings, its research and its evolution, but also with the mystery over the reasons of its accuracy.

Regarding interpersonal relationships, the debate is quite similar to that of astrological forecasts. Although fate is not inescapable, it does not allow to dismiss a great number of peculiar behaviours that everyone finds astonishing. For instance, instinctive sympathies and antipathies, sometimes with no apparent cause and lasting for a whole lifetime, remain definitely mind-boggling.

Astrological rules applied to the comparison between two charts produce a quick answer because basic incompatibilities exist, in the same manner as fire does not blend well with water or a journalist's mind does not match a researcher's because their respective and basic objectives are too different.

Thus, astrology allows to quickly understand what could otherwise be ascertained after quite a long period of time. Isn't it already one of the justifications of its practice?

We do think so and we strive to draw information for the benefit of as many people as possible.

However, do not forget that the results and the explanations provided to you are only indications and that it is up to you, and to you only, to decide which path your couple is to follow: the stars incline but they do not compel.
