## Compatibility Report Natalie and Benjamin

### Introduction: Relationship Analysis

This report integrates all the astrological parameters used by professional astrologers in their comparative studies of a couple's charts, also known as synastry, and uses a comprehensive methodology based on compatibility calculation: we compute the outcome of all the possible combinations existing between two charts and we establish a conjugal index, an affective index, a physical index for the couple's compatibility, and a communication index.

The programme takes eleven major and minor aspects into account, weighing with accuracy formulas for each aspect and rulership. It also analyzes fifteen astrological items (planets and angles, Chiron, Lilith and the Lunar Nodes axis). All the above factors are used for the study of couples and the assessment of our four compatibility ratings or indexes:

#### **The conjugal index**

describes the essence of the relationship in view of a marital relationship. It explains the basis and the structure of the link. It is the most important element among the four series of information that are provided here.

#### **The affective index**

describes the strength of the sentimental components; it is one of the elements of the relationship structure.

#### **The physical index**

gives an idea of the sexual attraction. It indicates only a tendency and you must bear in mind that this very subtle kind of forces may not always express themselves in a constantly equal way, but that they may vary significantly according to other modes of exchange.

#### **The communication index**

describes the easy flow of your exchanges, regardless of any affective and physical context. It provides additional and interesting information and may be a binding and amplifying agent among other modes of exchange.

# Introduction

These four indexes or ratings are given a grade between 0% and 100%.

What is the concrete meaning of these ratings? They indicate the smoothness of exchanges between two persons and not the quality of their love. Indeed, both partners retain their own choices, their relationship problems or their peculiarities: therefore, it is possible to get ratings nearing 100% although the relationship does not have a positive outcome. Please, never forget a few obvious rules and facts such as in the following examples:

- everyone has one's own character and, for instance, if someone has a predisposition for a belated marriage, an encounter at the age of 18 with a compatible person does not necessarily result into a marriage or a relationship, even if the rating is very high.
- each life goes through very different periods. We may not be available for amorous relationships because we are already involved in a couple or because our state of mind is not conducive enough etc. Therefore, meetings with persons with whom ratings are very high do not necessarily result into a relationship.
- some couples may have quite low ratings; this does not mean unhappiness or problems in the relationship. A conjugal rating of 35% or 40% is absolutely not incompatible with a life-long relationship. The ratings cannot really give information on the intensity of your relationship, which defies these types of criteria. We underline again that we are dealing here with smoothness and not with quality and that two persons with an index of 30% or even 10%, will not experience an "inferior" quality of love, compared to a couple with an index of 80%: the difference probably comes from the fact that they will need to put a lot of energy and efforts in the relationship in order to enhance it and to make it last.

Please, do bear in mind that these figures represent a tendency and not a final verdict, because of all the factors we have just explained.

This report describes in detail the characteristics of your couple's relationship, sorted out in order of importance. They are arranged in two chapters, the first one deals with the relationship from an amorous perspective only, while the second chapter deals with its human aspect, not specifically amorous, which is the communication plane; of course, both parts are linked to each other since the relationship forms a whole. Read them once again, you will most probably be amazed and you will see for yourself how accurate they are. However, please bear in mind that a human relationship is complex and may contain contradictions, which our report cannot highlight, for obvious reasons: indeed, the synthesis of the compatibility indexes with their texts is the only tool that allows to understand properly your couple's relationship.

## Love Characteristics

### Your Strong Points

★★★★★ Conciliation aspect ♃ Pluto ☉ Sun, Strength: 49.4

There is an obvious and mutual need for deep transformation between you. If each of you is open to important self-questionings, your relationship promises to be intense: an almost innate understanding, as well as emotional and sexual compatibility are likely to settle in. Benjamin is under the spell and wants to help Natalie to gain confidence in her own capacity for self-expression, while in return, Natalie tremendously admires his determination and his radiance and encourages its revival in order to start anew. Natalie plays a sort of catalyst role for a remarkable evolution of your couple and she deeply influences the future of your relationship.

★★★★★ Conciliation aspect ♀ Venus ♀ Venus, Strength: 32.5

The affective link between you is pleasant and you instinctively feel a lot of sympathy for your partner. Dissension seldom occurs. You have the same tastes in arts, leisure, outings and often, you like the same persons. Both of you instinctively know how to mutually express your feelings and even if the atmosphere is often cocoon-like and trivial, you do appreciate each other and that's what is important. Be aware of your great abilities to express your feelings and enjoy yourselves!

★★★★★ Conciliation aspect ♀ Mercury ♀ Venus, Strength: 30.8

Gentleness and affection on the one hand, and easy communication on the other hand, your qualities are in a state of permanent receptivity and bring about a most pleasant comprehension. Natalie enjoys continuously talking, explaining and expressing her ideas, while Benjamin encourages her through

# Your Relationship

a warm attitude, which provides her with the necessary confidence and stimulation. In this way, Benjamin can inspire Natalie's literary or intellectual creativity and, why not, he can help her disseminate her ideas and contribute to her success in this regard. Natalie will always find in Benjamin the affectionate support she needs in her difficult moments or when her creativity lacks inspiration.

★★★★☆ Conciliation aspect ♀ Venus ♂ Mars, Strength: 26.2

This is the best possible sign of physical compatibility between two persons and it had to be yours! Both of you have the luck of the devil because you can freely express all your desires and experience them together without restraint, with harmony and voluptuous pleasure. It is not exaggerated to say that the contact between you is magnetic, even electric: you are highly sensitive to the physical presence of your partner and both of you equally appreciate the other one, a little bit in the way children appreciate chocolate! In your couple, Benjamin is more active and dynamic, but it does not prevent Natalie from launching charm offensives and being very successful at it. Sometimes, the relationship is not an amorous one but both of you tremendously enjoy being together.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

---

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★☆ Conciliation aspect ♀ Venus ♃ Uranus, Strength: 18.3

A constant and mutual excitement gives an exquisite touch to your exchanges and brings about renewed stimulation, delights and exaltation. Surprises add spice to your relationship, ensuring that you never get bored, and energize your sex life if you are a couple. Natalie immensely appreciates Benjamin's originality and sexiness, while Benjamin, particularly sensitive to Natalie's charm, does not hesitate to overdo with extravagance and with the certainty that her admiration is aroused. Undoubtedly, with such disconcerting and intense experiences, you need more, again and again. Durability is not your priority: for both of you, the most important thing is to live your physical and affective fascination in the moment and you both manage to do so, wonderfully well.

## Your Weak Points

# Your Relationship

★★★★★ Tension aspect ☾ Moon ☼ Sun, Strength: 87.5

Obviously, there is an instinctive attraction between you but, quite rapidly, an unexplainable lack of understanding may occur, leaving Benjamin thirsting for warmth and affection and Natalie, sorry for not completely sharing Benjamin's aims and ideals. This is not very important but, in the long run, feelings of frustration emerge on both sides, with Benjamin a bit lonely on the path towards his ambitions, and Natalie unable to adjust her sensitivity or to fully express her love for Benjamin. Your couple is not doomed to failure, however, reciprocal flexibility is needed.

---

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★☆ Tension aspect ☼ Sun ♀ Venus, Strength: 17.6

Despite the attraction that may prevail between you, the relationship can be frustrating because both of you hope to find what you need in the other one, although your expectations and the expressions of your feelings are different: there is a danger that both of you are disappointed by your respective attitudes. Natalie tends to dominate Benjamin who seems to her heedless and lazy, and Benjamin may feel undermined by Natalie's selfishness and authoritarianism. However, if both of you manage to make the necessary concessions in order to iron out all your differences, your relationship will overcome all possible tensions and obstacles.

★★★★☆ Tension aspect ☾ Moon ♃ Jupiter, Strength: 12.8

You may tend to choose the easy way out and Natalie may think that Benjamin's attitude is too exuberant and even conceited. However, your compatibility is not endangered. Benjamin may be authoritarian and laudatory whereas Natalie may want to take advantage of his generosity in a selfish way. But in all cases, quarrels never arise. There are only a few feelings of minor breaches of trust or of overestimation regarding the help and benefits Benjamin provides Natalie.

★★★★☆ Tension aspect ♄ Saturn ♀ Venus, Strength: 9.5

The nature of your relationship may become tricky in the long run. Over time, Natalie may deprive Benjamin of affection, or she may not be able to express it, which comes down to the same thing. Benjamin may be deeply frustrated and disheartened. Insidiously and slowly, you may grow away from each other, at least in the amorous area. Natalie may be indifferent to Benjamin's efforts to improve the situation, whereas Benjamin finds Natalie's attitude cold and insensitive. There is a real danger that you lose your partner if you

# Your Relationship

are not cautious. Your relationship is not doomed to failure, of course, but this is a serious warning that much effort is needed from both of you. There is an old saying that, beyond love, the will to love is equally important.

★★★★★ Tension aspect ♀ Venus ☾ Moon, Strength: 8.5

A few divergences may occur on the affective plane, but they are unimportant and superficial. Sometimes, too much leniency on Natalie's side encourages Benjamin to be whimsical and to adopt a childish attitude; in other moments, Natalie may make too much use of her charm, out of personal interest. But there is nothing serious in all that, only a few fits of bad temper from Benjamin, or minor difficulties for Natalie in expressing her affectivity. In general, everything can be solved if Benjamin matures a little bit and manages to resist his instinct, and if simultaneously, Natalie shows less idealism and more pragmatism.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Tension aspect ☾ Moon ♃ Neptune, Strength: 8.5

There is a strong attraction between you but, oddly enough, it is not easily expressed. Fleeting feelings of doubt or even of anxiety may arise. They are quite vague and cannot harm the quality of your relationship. However, Natalie may be troubled by Benjamin's character fluctuations while Benjamin may not easily understand Natalie's mood swings. Both of you have a receptivity that is a bit out of touch and Natalie's imagination, humour and good mood cannot immediately reach Benjamin's affectivity and idealism. Each of you may be spaced out in your respective realms, but you do not quarrel and there are no negative consequences.

## Communication Characteristics

### Your Strong Points

★★★★★ Conciliation aspect ☉ Sun ☉ Sun, Strength: 132.0

This relationship radiates a very positive harmony marked with mutual comprehension and enthusiasm. Your objectives are similar and each of you can play the role you aspire to, in the respect of your partner and with no rivalry. For both of you, your closeness is the source of the support and the encouragement you need in order to achieve your personal ambitions and it may give you the desire to share a common activity later on.

# Your Relationship

★★★★★ Conciliation aspect ♀ Mars ♀ Mercury, Strength: 95.4

You mutually stimulate each other but in different ways. Natalie's dynamism and provocations put Benjamin on the alert. They prompt him to sharpen his mind and his conceptions, and thus, to constantly improve himself. Despite the tricky side of your exchanges, they constitute a positive drive. In the end, you are delighted by this pleasant joust because Natalie always feels a real intellectual excitement in Benjamin and the latter has only one desire: to brilliantly do more, in order to overcome her criticisms and to improve his own verbal strategies, which are already very impressive. Besides, you can efficiently cooperate on the professional plane, as the combination of your complementary talents proves very fruitful.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ☾ Moon ASAS, Strength: 67.0

Shared feelings and the same need for little secrets endow both of you with the capacity to express yourselves freely with the support of your partner, and this is favourable for your comprehension within the couple. A good understanding prevails between you in the family and domestic sphere: Natalie contributes to make home a comfortable and warm place where the whole family has its habits while Benjamin, in return, brings movement, vitality and energy into it.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ☼ Sun ♃ Jupiter, Strength: 55.7

In your relationship, both partners encourage the other one to improve one's situation: Benjamin stimulates Natalie's confidence and provides her with support and protection, while Natalie, lost in admiration, helps him blossom and appear in a flattering light. You share the same vision of life and the same need for truth. Therefore, you enjoy being together, exchanging ideas and concepts on philosophical, cultural or religious topics. With these stabilizing, even conformist influences, you may want to legalize your amorous relationship, which will always be based on respect and understanding.

★★★★★ Conciliation aspect ♃ Uranus ♀ Mercury, Strength: 55.0

So many mutual intellectual and nervous stimulations! It is certain that there can be no boredom when you are together. One of the partner's original ideas and style of personality arouse the interest and the curiosity of the other one. Your exchanges are continuously lively and almost telepathic! Swiftness prevails and reactions are quick. You can spend hours shifting from one topic to the next, both of you being carried away by innovative ideas or off the beaten path concepts, irresistibly engrossed in bright, endless, verbal and mental jousts. Your shared mental activities stir up your creativity with

# Your Relationship

dazzling ideas sprouting all over. They make you evolve in such exquisitely original ways.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ♃ Jupiter ♿ Mercury, Strength: 47.8

Intellectual and professional cooperation has every chance to be efficient and warm. Benjamin's nimble, nervous and quick side perfectly matches Natalie's experience, charisma and wisdom, at least, this is the way both of you feel it. Whether as professional partners, or as a couple, it is certain that your relationship flows smoothly and that it enriches both of you. Natalie's tolerance and benevolence go along well with Benjamin's mental skills and creativity. You can share a great number of centres of interest and your association is a very beneficial one.

★★★★★ Conciliation aspect ☉ Sun ♆ Neptune, Strength: 44.1

You certainly have the feeling that you are experiencing a privileged and mystical relationship where both of you share the same spiritual values. Each partner is idealized and your feelings are stamped with great romanticism. Benjamin deeply values Natalie's brilliant abilities and helps her express herself with more sensitivity and develop her intuition. Natalie welcomes Benjamin's adoration and, in return, she encourages him to give concrete expression to his dreams through increased creativity. You enjoy participating in artistic activities where each of you can improve at the other one's contact.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ☉ Sun ♀ MC, Strength: 40.9

Natalie can play an important role in Benjamin's destiny, in the amorous or conjugal life, in the career area or in the field of spiritual and philosophical concepts. Benjamin tends to idealize Natalie, or at least, to happily follow her example and her advice. There is an excellent sign in favour of a professional activity or a life together because, due to the real harmony prevailing between you, Benjamin accepts Natalie's natural authority and experience. He appreciates her attitude without reservation, as well as the support and the improved status she provides.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

# Your Relationship

★★★★★ Conciliation aspect ASAS ☿ Uranus, Strength: 29.4

Your relationship is very dynamic and intellectually stimulating. A feeling of familiarity develops instantly between you: you encourage each other to scorn conventions and to express your individuality in the best possible way. Benjamin continuously stimulates Natalie's interest and prompts her to question herself. Often, the relationship is experienced under the form of cohabitation, discontinuity being the couple's main longevity factor. If you live together, Natalie must allow Benjamin his fair share of personal leisure and fully respect his need for independence. In any case, there is no danger that you might get bored together.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ♃ Saturn ♀ Mercury, Strength: 24.1

Your intellectual complementarity is remarkable and you can exploit this asset in order to efficiently increase your experiences and your knowledge: whereas Natalie exhibits her seriousness, her rigour, her depth and her method, Benjamin simultaneously displays his swiftness, his creativity and his great adaptation capacity. Therefore, your intellectual cooperation is very fruitful and prolific. The perfect alliance of Natalie's experience and wisdom with Benjamin's enthusiasm and creativity results in a stimulation that allows both of you to evolve in the fields of higher knowledge and abstract concepts, as well as on a more concrete level, and to achieve professional success together - for instance in the literary, scientific or philosophical fields.

★★★★★ Conciliation aspect MCMC ♃ Saturn, Strength: 23.1

Benjamin is particularly demanding and picky about Natalie's objectives but he earnestly and persistently supports Natalie's ambitions. Step by step, Benjamin teaches Natalie to make long-lasting efforts in order to achieve success. Natalie quickly understands that, although Benjamin may appear as a wet blanket, it is her own good that is at stake. Therefore, filled with admiration, Natalie readily accepts Benjamin's unfailing support. Benjamin is somehow the power behind the throne in your tandem or in your couple.

---

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Conciliation aspect MCMC ♆ Neptune, Strength: 13.6

Benjamin's ideals strongly influence Natalie who wants to orientate her philosophical, moral or artistic conceptions in a similar direction. Benjamin inspires Natalie and contributes to her spiritual development. There is some

# Your Relationship

feeling of inaccessibility around Benjamin that may create strange emotions in Natalie's heart. However, your bond is positive and your exchanges greatly influence Natalie's destiny.

★★★★★ Conciliation aspect **MC**MC ♃ Jupiter, Strength: 12.9

This excellent combination indicates that with Benjamin's unconditional support and benevolence, Natalie can discover new social circles or achieve her human or professional objectives. Natalie's social status is enhanced as Benjamin spares no effort in order to favour Natalie's position and to encourage her self-confidence. This is a sign of strong protection from Benjamin to Natalie who, in return, will play an important role in the development of Benjamin's abilities to display his own assets in your joint projects.

★★★★★ Conciliation aspect ♃ Mars ♃ Mars, Strength: 5.9

Some sort of enriching dynamism marks your relationship. Thus, you always feel that your joint efforts significantly increase your respective successes. Your presence boosts your partner's temperament and ardour, and vice-versa. You stimulate each other and it is very likely that you happily share many concrete activities such as sport etc. If you are already a couple, your physical relationship is lively and fulfilling. You are able to implement common projects and to work together efficiently, even though both of you must sometimes personally adjust to the other one's dynamism.

★★★★★ Conciliation aspect **MC**MC ☾ Moon, Strength: 5.9

Benjamin instinctively understands Natalie's major objectives and contributes to their achievement. Natalie finds in Benjamin all the support and the warmth she needs in order to believe in her own capacities. Benjamin is often behind Natalie's meetings with an audience, or he finds supportive persons within the circle of your friends or your customers, if you work together in the same company. Natalie's reputation and fame are shown in a flattering light when Benjamin stands by her side. This excellent sign of shared ambitions and objectives may also greatly contribute to your couple's harmony and further its integration within your respective entourages.

## Your Weak Points

★★★★★ Tension aspect ☉ Sun **AS**AS, Strength: 26.7

Competition develops very rapidly between two powerful wills striving to impress each other. The image that both of you want to project is accentuated by the partner and this "mirror" effect highlights realities that you both would have preferred to leave in the dark. Therefore, both of you feel threatened in your independence by a partner who is thought to be eccentric and domineering. Conflicts of authority are unavoidable if no one acknowledges

# Your Relationship

the other one's own place in the couple.

---

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Tension aspect ASAS ♄ Saturn, Strength: 17.3

Benjamin constantly criticizes and imposes limits on Natalie whom he sees as self-centered and immature. Benjamin may hinder Natalie's freedom of expression and personal fulfilment. As a result, Natalie may end up questioning her self-worth and Benjamin's love. Benjamin may also be frustrated by the decisions Natalie takes hastily without consulting him beforehand. It is Benjamin's turn to question his role within the couple. Therefore, your relationship may uncover both partners' complexes and shortcomings, and in some cases, it may even be stiffened by the boredom of routine.

★★★★★ Tension aspect ☉ Sun ♂ Mars, Strength: 14.0

You do not seem to be on the same wavelength. It is difficult for you to take action together and to achieve a common project. Benjamin thinks that Natalie's responses are inappropriate while Natalie has difficulties in understanding his aggressive reactions. Each of you will fight for power in your own way, Natalie through her desire to command and Benjamin, through his need for action. This excessive stimulation may be experienced on a heated mode, with both of you striving to assert your independence. However, sudden and regular quarrels may endanger the stability of your relationship.

★★★★★ Tension aspect ♄ Saturn ♂ Mars, Strength: 12.3

You must be very cautious because there is a danger of confrontation and it is preferable to avoid it. Benjamin tends to "charge ahead" and Natalie criticizes him and makes use of her desire for power to put a damper on Benjamin's impetus. The combination is explosive, regarding both content and form. Natalie loathes hastiness and does not hesitate to tell Benjamin accordingly, while Benjamin swears by movement and speed. If confrontation occurs, there will be no winner, but only two losers, with a heavy atmosphere loaded with bad omens. For both of you, wisdom and stepping back are the only ways to share pleasant moments together.

## Potential Mutual Influences

# Your Relationship

When we compare two astrological themes, in addition to the blatant and directly active relations that were delineated above, there is a number of potentialities which describe secondary mutual influences playing out in different life areas: they are not visible at once, as their effect is not direct, but they shed complementary light which fine-tunes certain attitudes between two persons. Indeed, in the long run, these different energies play out in a more noticeable way and will contribute to the relationship's richness and complexity. We analyze them here in ten short chapters addressing each of the ten types of energy involved. Please, keep in mind that they will not be understood and felt until the relationship has matured.

## Your Mutual Encouragements

Natalie may play a preponderant role in Benjamin's destiny, whether on the amorous and conjugal plane, or on that of career and spiritual or philosophical conceptions. Benjamin tends to idealize Natalie or at least, to happily follow her example and her advice. This configuration is excellent for your profession or for your couple's life, since Benjamin accepts Natalie's natural authority and experience, owing to the real harmony prevailing between you. Benjamin appreciates without reservation Natalie's attitude, which provides him with support and improved standing. Therefore, there is every chance that you will fare a long way together, for your greater good. The danger is that Natalie may show a quite tough or lofty facet of her personality, which may provoke some lack of understanding from Benjamin's part.

More often than not, Benjamin picks up Natalie's flaws too quickly and it is clear that none of you should rely too much on appearances because they are deceitful. There is a real danger that you undergo moments of doubts but, in compensation, Benjamin may operate a beneficial transformation on Natalie. Magnetism is the basis of your deep mutual physical attraction. In addition, the Tradition also associates this configuration with events that may cause financial problems.

## Your Mutual Influence When Facing External Events

Shared feelings and the same need for little secrets endow both of you with the capacity to express yourselves freely with the support of your partner, and this is favourable for your comprehension within the couple. Good understanding prevails between you in the family and domestic sphere: Natalie contributes to make home a comfortable and warm place where the whole family has its habits, while Benjamin, in return, brings movement, vitality and energy into it. In some circumstances, Natalie may disapprove of Benjamin's impulsive way of expressing himself.

Benjamin feels naturally drawn to Natalie's artistic talents, leisure or vacations: it is usually an element of harmony and pleasure between you and, in any case, an omen that the relationship is light, cheerful and pleasant.

## Your Mutual Stimulations in the Field of Communication

This is an excellent factor for bringing you together, thanks to the fact that Natalie easily understands Benjamin's objectives. It greatly facilitates your exchanges and, for instance, if you are in a business or work together, Benjamin benefits from Natalie's ingenuity and sense of communication. Indeed, Natalie readily puts her entire intelligence at the service of Benjamin's career or destiny. In a couple, this kind of bond favours the development of common projects, even though Benjamin is the one who benefits most from Natalie's excellent ideas. In some cases, your discussions are not right to the point but, sooner or later, your capacity to understand each other will come into play.

Communication is particularly lively between you. Benjamin strives to exploit his best qualities in order to bring together your respective views and ideas. Swift exchanges, sometimes quite harsh ones, and verbal jousting, spice up the numerous debates both of you enjoy so tremendously.

## Your Reciprocal Abilities for Creating Harmony

Natalie exerts great fascination over Benjamin who is not far from idealizing Natalie. The relationship is warm and Natalie is happy to be the subject of Benjamin's idolatry. In return, Natalie generally contributes to the achievement of Benjamin's objectives or she supports Benjamin, so that the latter successfully accomplishes his professional destiny. Benjamin's unlimited admiration for Natalie is a guarantee for the solidity of your relationship, which both of you enjoy as your reward. Natalie must be careful that, at times, her whims don't tarnish Benjamin's image.

When facing any domestic, professional or health problems, Natalie can rely on Benjamin's unconditional help and support. Benjamin always shows an affectionate and encouraging attitude towards Natalie, somehow playing the role of the dedicated caregiver, dressing Natalie's wounds and striving to alleviate painful periods with softness, joy and beauty.

## Your Mutual Stimulations in the Field of Action

In your couple, Natalie encourages Benjamin to discover new horizons and to compare new intellectual and philosophical ideas. Both of you have many debates about different approaches to life and you also share a deep interest in foreign cultures. Thanks to Natalie's enthusiastic and dynamic initiatives, you travel frequently in order to put your beliefs into practice and to test them.

In your couple, both of you find it normal to help each other. You divide all daily works between yourselves so as to ensure that your home is well run. Benjamin is often quite dynamic and active towards Natalie. Benjamin tells Natalie how to take care of her health, or he is the one who puts in more efforts, both at work and at home. Natalie fully trusts Benjamin because she

can always rely on Benjamin's loyalty and help. This configuration is usually a good omen for an enduring relationship.

## Your Assets, Protections and Abilities for Success

Being together provides you with a lot of happiness and good mood. Your common interests go beyond your daily life setting and your pleasant exchanges deal with ideas and values pertaining to culture, religion, ethics or education. Natalie greatly helps Benjamin enhance his personal image and his spiritual development, while Benjamin encourages Natalie to put her own beliefs into practice and to socialize more. A nice confiding rapport that favours life together will settle in between you, before long. However, Natalie must be cautious not to give moralizing lessons and not to impose her own values.

Benjamin's acute ability to instinctively spot Natalie's hidden qualities and to enhance them is added to the physical attraction prevailing between you. This gives your relationship a steady nature that benefits both of you. Especially in the financial area, Benjamin can play a very efficient role and increase your common patrimony.

## Lessons Drawn From Experience and Your Responsibilities

Both of you feel that you can bring a lot to each other and that it is possible for you to establish a steady and enduring relationship, even though it requires some time because it is difficult for both of you to grant your confidence and to open up straight away. Natalie has a father-like attitude, protective and educative. She secretly wants to resemble Benjamin, in whom she finds all the necessary help to develop the qualities she is lacking. Your relationship is deep and reassuring for your couple but it also proves excellent on the professional plane. In some circumstances, however, Natalie's severity and excessive authority may hinder Benjamin's freedom of expression and fulfilment.

Benjamin's wisdom and detachment positively influence Natalie in areas dealing with life's higher purpose: spirituality, religion, and philosophy. All the pieces of advice Benjamin provides on these topics take a peculiar dimension and incite Natalie to tend towards more serenity and depth. According to the Tradition, with this configuration, Benjamin has a propensity to limit Natalie's travels, probably in order that Natalie can dedicate herself to more important tasks.

## How You Motivate Each Other and the Impact on Your Uniqueness

# Your Relationship

There seems to be no communication issues in your couple where debates abound! Your relationship has a very stimulating impact on both of you. Natalie tries to alter Benjamin's thinking pattern and to get him interested in new ideas or in the exploration of still unknown areas. Benjamin does his utmost in order to get Natalie interested in more concrete matters that can enhance Natalie's creative and intuitive capacities.

Benjamin takes on the role of "consciousness awakener" and may allow Natalie to become aware of blocks deeply buried in her unconscious, to get rid of them and to develop a stronger independent mind and a deeper intuition. Benjamin urges Natalie to move forward without restriction and to embrace new adventures. Together, you certainly enjoy discussing matters dealing with psychology, the unconscious, the supernatural and anything hidden that seems to be beyond you, in general.

## Idealism, Compassion and Euphoria

In subtle and imperceptible ways, Natalie alters the atmosphere in Benjamin's home and encourages him to have a more flexible and laid-back daily lifestyle. Natalie tries to convince Benjamin to forget his great, yet prudent, principles, to let some air of freedom in, and to indulge in whatever he pleases, which might become worrisome... The danger lies there, dormant, for Benjamin to experience dissolute behaviours or to make excessive and inconsiderate expenses.

Although it is not very worrisome, Natalie must never heed any advice provided by Benjamin who tends to be "spaced out", as far as finances are concerned. Indeed, Benjamin throws some sort of deluding veil on his real material situation and his "intuitions", no matter how amazing and useful they are at times, must be considered with the greatest reservations...

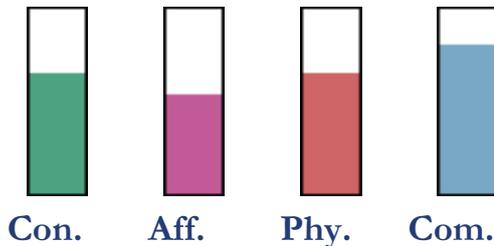

## Awareness Gaining and Transformation Factors

Natalie may help Benjamin gain awareness of the real value of money or sometimes, and in a more noble and symbolic sense, that the nature of money is not necessarily material. Money is linked to the possibility to impact the environment and it concretely questions the system of values one establishes: what is most important, in which areas should one invest one's energy? etc. Natalie's advice on financial matters may be particularly lucrative and spectacular, although too mysterious to be heeded without caution.

Benjamin efficiently protects and supports Natalie's interests and projects. Benjamin provides new helpful contacts that are quite mysterious but powerful ones, usually occurring under private circumstances. The intensity associated to your bond may bring about differing views that can be solved if Benjamin accepts to soften a little bit his ascendancy over Natalie.

## Conclusion

We hope that this Report has shed light on how your relationship works, as well as on the various aspects of your respective personalities.

There is a point that we deem necessary to underline: in our conclusion, we want to insist one last time on the meaning of the compatibility ratings; the marks that quantify your affinities never give an implacable verdict regarding the quality of your couple's relationship.

Here, we are dealing with the more or less smooth way in which you actually experience your relationship, and under no circumstances, are we addressing its beauty or its strength.

For the sceptical ones who do not believe in astrology, we do not resist the pleasure to quote a few comments by persons of authority in this area. They are drawn from the excellent book authored by one of the undisputed French masters, André Barbault, *Traité Pratique d'Astrologie* (Practical Treatise of Astrology), published by the Editions du Seuil:

**KEPLER:** « Twenty years of practical studies have convinced my rebellious mind of the reality of astrology. »

**HENRY MILLER:** « Astrology considers man in his wholeness and I believe that it is essential: man is a comprehensive being. Astrology shows that nature has its rhythms and that each human being participates in these rhythms... »

**C.G. JUNG:** « If people whose education leaves a lot to be desired have thought that they could, until recently, make fun of astrology, considering it as a pseudo-science dead a long time ago, this astrology, dating back to the depths of popular wisdom, comes up again at the door of our universities, which they left three centuries ago. »

**SAINT-JEROME:** « I remain silent on philosophers, astronomers, astrologers whose science, very useful for men, is asserted through dogma, explained through method, justified through experience... »

**ARISTOTLE:** « This world is linked in a necessary way to the movements of the superior world. Any power, in our world, is ruled by these movements. »

**BALZAC:** « Astrology is a huge science that has ruled the most intelligent minds. »

**PIERRE SCHAEFFER:** « It seems to me that astrology can, in its way, through the configurations studied, detect the most secret relationships of human being's inner life. »

# Conclusion

The list of personalities who are in favour of astrology is increasingly long. It is clear that, in the 21st century, astrology is gradually given back the place it used to enjoy, except during the past three centuries: a human discipline that works well, with its questionings, its research and its evolution, but also with the mystery over the reasons of its accuracy.

Regarding interpersonal relationships, the debate is quite similar to that of astrological forecasts. Although fate is not inescapable, it does not allow to dismiss a great number of peculiar behaviours that everyone finds astonishing. For instance, instinctive sympathies and antipathies, sometimes with no apparent cause and lasting for a whole lifetime, remain definitely mind-boggling.

Astrological rules applied to the comparison between two charts produce a quick answer because basic incompatibilities exist, in the same manner as fire does not blend well with water or a journalist's mind does not match a researcher's because their respective and basic objectives are too different.

Thus, astrology allows to quickly understand what could otherwise be ascertained after quite a long period of time. Isn't it already one of the justifications of its practice?

We do think so and we strive to draw information for the benefit of as many people as possible.

However, do not forget that the results and the explanations provided to you are only indications and that it is up to you, and to you only, to decide which path your couple is to follow: the stars incline but they do not compel.
